

DANGER LURKS IN PEACE SETTLEMENT, BELIEF

OVER OCEAN PLANES TO GO LATE TODAY

Three Machines to Start on
Azores Trip If Possible
Says Commander

WEIGHT IS REDUCED,
CREWS CUT TO 6 MEN

New Motor Installed In NC-4;
Haste Is Being Urged
By Washington

TREPASSEY BAY, N. F., May 16.—Commander Towers announced today that the three seaplanes would be started on the trans-Atlantic flight this afternoon if it is possible to get away. Weather conditions in mid-ocean are the best reported since the planes arrived here, according to the navy official forecaster.

There's a stiff breeze along the Newfoundland coast.

The aviators declare it is most important that a getaway be made today.

Dispatches from Washington also are urging a quick start. All of the planes are expected to leave together. Their loads were reduced by 600 pounds today. The crews are now made up of six men each.

A new motor was placed in the N. C. 4 this morning. If it is not ready to start with the other two planes it will follow as soon as possible.

Too Heavy To Rise

The planes failed to hop off yesterday because they were too heavy to rise from the harbor. While they were trying to get up the N. C. 4 came in sight, finishing its trip from Halifax. Thereupon Commander Towers decided to halt his efforts to get away and make another try with cargoes lightened after the N. C. 4 crew had a chance to make necessary repairs and join the squadron.

(Erroneous reports that the Atlantic flights actually had started were circulated in the United States yesterday. This premature announcement of the start, based merely on the trip of the planes on the surface of the water from Trepasey to Mutton harbor, the jumping off place, was not circulated by the United Press.)

When the N. C. 1 and N. C. 3 taxied away from their moorings in Trepasey Bay yesterday on the way to the starting place the crews were heartily cheered by the men on the supply ships and by the fisherfolk of the town of Trepasey.

Attempt Just Experiment

However, there was not much surprise when the two big planes taxied back to their berths sometime afterward, as those familiar with aviation knew the first attempt was largely in the nature of an experiment to see whether the Naucies could rise with their capacity loads. The weather reports had been discouraging all afternoon and Commander Towers was not disappointed with the failure to get away.

The crews of all three planes were aboard them this morning, carefully going over the big machines, which were moored at their customary locations in Trepasey Bay. These berths are some distance from Mutton harbor, the actual jumping off place. A start could not be made from Trepasey Bay because it is too small and congested with small boats.

ST. JOHNS, N. F., May 16.—The dirigible C-5 was picked up deflated and taken aboard the British steamer Clan Davidson at a point 88 miles east of here today. The "blimp," which broke away from its moorings late yesterday, is now being brought to this port.

LONG BEACH YOUTH ARRESTED IN EAST

LOUISVILLE, Ky., May 16.—R. D. Cayley, wanted in Vancouver on a charge of embezzling more than \$14,000, is held in jail here awaiting the arrival of Canadian officers. Cayley's parents live at 338 East Sixth street, Long Beach. He was assistant bank clerk for the Canadian National Bank at Vancouver. He disappeared from Vancouver nearly four months ago. He says he will waive extradition.

Telephone Mass Meetings Tuesday Heartily Favored By Subscribers of County

WITH telephone bills for May 75 to 100 per cent higher than they were prior to the increases in March and May 1, possibility of still further increase by toll charges in districts where the service was free before May 1, telephone users are thoroughly aroused to the importance and necessity of taking action that will result either in the institution of a county mutual system or withdrawal by the company of rate increases and exchange toll charges made effective on May 1 by order of Postmaster General Burleson.

Increase of rates with depreciation in the service by the elimination of free tolls between Santa Ana, Garden Grove, Orange, Tustin and Smelter in this immediate vicinity, is a combination that is causing subscribers to sit up and take notice, and many of them are evidencing their feeling by ordering out their phones.

It is believed that the toll charge between Santa Ana and the Smelter exchange is going to seriously affect the Smelter exchange, and it is reported that within the next month or so the number of phones ordered out will cripple the mutual plant to such an extent that suspension of the service may result. Most of the subscribers in the exchange pay the monthly rental three months in advance, and the period of these payments will end within the next month or two, when it is believed phones will be ordered removed.

Free switching with Santa Ana was one of the principal inducements for phone subscribers in the Smelter exchange, phones being used more for

work. A charge of 10 cents for each call to Santa Ana makes it practically prohibitive.

Ten subscribers on the San Joaquin ranch, whose phone service was through the Tustin exchange, yesterday appeared in a body and ordered the removal of their phones at once. They said they would rather "burn gasoline" than submit to the exorbitant charges for phone service under the new regulations.

Just as an illustration of what the increases mean, the cost to the city of Santa Ana for three phones maintained at the city hall may be cited. Several phones are furnished in the city hall without cost, and only three come under the exchange rates. Prior to the first of March, the city was paying \$7.60 for the service of the three phones. For May, rentals being collected in advance, the charge is \$12.85, or \$5.25 more.

On suburban phones the increase

(Continued on Page Two)

COMPLETE PLANS TO ENFORCE DRY LAW

WASHINGTON, May 16.—Formulation of the government's policy of enforcement of the July 1 prohibition act was practically finished today. The policy includes:

- Use of internal revenue officers in reporting violation.
- Collection of the manufacturers' liquor tax on alcoholic beverages of more than .5 per cent alcoholic content.
- Justice department to begin action against brewers making 2 1/2 per cent beer immediately after the handing down of the expected court decision.

Meanwhile, justice department agents are collecting evidence of all violations of the act which prohibits beer manufacture after May 1, no matter what the alcoholic content, according to the department's interpretation.

Nothing, it seems now, can prevent the United States from going bone dry from July 1 as far as sale of alcoholic beverages is concerned except a court decision declaring the law unconstitutional or repeal of the law by congress.

Brewers who are continuing brewing of beer containing 2 1/2 per cent of alcohol hope the New York court will overrule Attorney General Palmer's interpretation that the act prohibits the brewing of wines and beer, no matter what the alcoholic content.

The justice department has been notified that the court decision may be expected any day.

ACKERMAN WARNS OF BOLSHEVIKI DANGER

DES MOINES, Iowa, May 16.—The world must take either the League of Nations or soviet control. This was the warning of Carl W. Ackerman, newspaper correspondent, in an address before the Iowa Business Congress here last night. Bolsheviki propaganda which is sweeping the world at present finds willing converts in countries which do not function properly. Ackerman added. He recommended a constructive program in the business world to offset this propaganda.

HARRISONS TO VISIT PARENTS OF BRIDE

CHICAGO, May 16.—Francis Burton Harrison, 45, governor general of the Philippines, and his third bride, Mrs. Elizabeth Wrenmore Harrison, 18, Berkeley, Cal., were in Chicago today preparatory to visiting the bridegroom's mother here in Washington.

The marriage took place in a hotel yesterday afternoon, a few hours after word came of the divorce granted Mrs. Mabel Judson Harrison, in San Diego, Cal., former wife of the governor.

Paternal objection to the girl's marriage is said by friends to have been withdrawn at the last moment. Neither the bride's mother nor father was present, but each was represented by an intimate friend, it was said.

GEORGE P. WELDON RESIGNS

SACRAMENTO, May 16.—George P. Weldon has resigned as chief deputy of the State Horticultural Commission to become head of a fruit concern at Ontario and also direct the Chaffey Union High School junior college's experiment station.

ENCAMPMENT OF G. A. R. TO BE ENDED TODAY

Unfinished Business Disposed
of and New Officers
Are Installed

DELEGATES DEPARTING AFTER PLEASANT STAY

Russell C. Martin Is Elected
Department Commander
For Coming Year

TODAY the fifty-second annual encampment, G. A. R., department of California and Nevada, will come to a close, after four days of reunions, business sessions, and enjoyment, participated in by more than two thousand veterans, and members of affiliated societies.

Unfinished business was disposed of today, good byes were said, and this afternoon many of the delegates returned to their homes, some, however, remaining over for the week-end or longer to visit local friends and to enjoy further the glories of Orange County.

The Sons of Veterans and their Ladies Auxiliary completed their conventions last evening. The encampment in Santa Ana has been most successful, and the old-time get-together proved most enjoyable for those present, many of whom meet only at these annual gatherings.

New Department Officers

New department officers of the Grand Army, elected yesterday afternoon or appointed today by the newly-elected commander, are the following:

- Department Commander—Russell C. Martin, commander Bartlett Logan Post, Los Angeles.
- Senior Vice Commander—W. W. Savercool, Oakland.
- Asst. Adj. Gen. and Asst. Q. M. General—R. Heffelfinger, Los Angeles.
- Junior Vice Commander—P. E. Newman, Santa Ana.
- Medical Director—D. W. Hasson, Buena Park.
- Department Inspector—Isaiah H. Smith, Pasadena.
- Chief Muster Officer—Charles Rice, Riverside.
- Chaplain—Rev. T. W. Lincoln, Long Beach.
- Judge Advocate—H. Z. Osborne, Los Angeles.
- Senior aide-de-camp to be appointed.
- Patriotic Instructor—J. R. Milner, Long Beach.
- Council of Administration—E. H. Miller, Redondo Beach; C. H. Clark, Glendale; E. C. Durfee, Santa Barbara; Israel Smith, Pasadena; A. J. Baldwin, Pomona.

Delegate at large to National Encampment this fall in Columbus, O.—Clifford A. Fuller, Los Angeles.

Encampment Delegates

- Joe B. Lauck, San Francisco; S. W. Sutton, Santa Ana; John E. Myrick, Oakland; C. B. Wilson, Los Angeles; A. E. Potter, Colusa; Geo. W. Herr, Sacramento; Wm. H. C. Chambers, Keatsaw; W. A. Waterman, San Diego; G. Rouse, Riverside; Levi Garrett, Fresno; G. M. Adams, Pasadena; A. E. Vest, San Diego; Thos. L. Hull, Los Angeles; C. R. Norton, Glendale; P. H. Barry, Los Angeles; W. H. Amos.

Alternates—R. Pixley, Lodi; V. H. Noll, Los Angeles; J. A. Osgood, Los Angeles; J. S. Wilson, Los Angeles; J. W. Renouf, Inglewood; J. H. Collier, Soldiers Home; Wm. J. Ennis, Los Angeles; J. G. Beal, Visalia; A. A. Dansonville, Sacramento; W. J. Leiser, Santa Ana; J. M. Aubrey, Los Angeles; B. E. Pail, Hanford; C. P. Colonus, Los Angeles; J. H. Young, Pasadena; J. R. Milner, Long Beach.

Bartlett Logan Post No. 6, Los Angeles, was particularly honored in the election, three of its members being chosen for high honors, Russell Martin, the new department commander, R. Heffelfinger, assistant adjutant general, and Clifford A. Fuller, who received the highest number of votes for delegate to the national encampment and thus became the delegate at large.

"Workers" Not Affiliated

Both the G. A. R. and the W. R. C. yesterday adopted the following resolution:

"In view of the fact that the organization known as the 'Women and Girl Workers of '61-'65' is often connected with twenty-seven other objections to the complaint.

(Continued on Page Three)

Capital and Labor Will Eliminate Reds Together Declares Mayor Hanson

Here is a photograph of Mayor Ole Hanson just made public, taken when Hanson was "doing his bit" as an emergency shipbuilder in Seattle during the war.

Attitude of Employers and Workers Is Changing, Says Seattle Man

NEW YORK, May 16.—Industrial troubles in America will be minimized by capital and labor's getting together and eliminating the reds on both sides, Mayor Ole Hanson of Seattle declared in a statement here today.

The general attitude of employers toward the workers is changing, he said.

"There is but little difference between the aims of real thoughtful labor men and their employers," Hanson declared. "I have found, however, that on the fringe of labor there is a red element that preaches anarchy and force; I have found a few reactionaries among the employers who are still living in the dim past. I am firmly convinced that the great body of labor and the majority of employers will get together and control the reds on both sides."

"I find that the large employers of labor are more ready to co-operate with their employees than ever before in my lifetime. I have heard men calling labor their partner and in open meeting stating that labor should and must have good living conditions, good wages, good housing and good educations for their children. 'No trouble will come to our land if the government goes ahead in a progressive way and solves the problems before us.'"

"The Lane law or a similar law should be passed in order to employ labor first and second to develop homes in our waste lands at cost. 'The water power necessarily produced by irrigation enterprises will be used for lights and powers and if there is a surplus will be used for manufacturing nitrates for fertilization. Under this bill swamp lands will be drained, overflow lands diked and arid lands watered. 'Country roads must be motorized and a gigantic road building program adopted. Selective immigration laws should be passed. The bad man of Europe should stay there. 'Last but not least, laws governing business should be made definite and certain.'"

HUGHES ASKS WORDING OF FIFTY PROPOSALS

LOS ANGELES, May 16.—Thomas Hughes, millionaire politician and Gov. Stephens' campaign manager, wants to know what he said to his wife if he proposed to her fifty times as she alleges.

He filed a demurrer today to Mrs. Hughes' suit asking enforcement of an alleged pre-nuptial agreement whereby she claims Hughes was to give her a half million dollars' worth of property.

In the demurrer Hughes asks that his wife amend the complaint so as to recount the exact language of each of the alleged fifty proposals. He also makes twenty-seven other objections to the complaint.

PACT BEING CRITICIZED BY MANY NATIONS

Italians Playing New Game
While Army Occupies
Disputed Place

COUNTRIES TOO READY TO OPEN ANOTHER WAR

American Influence Expected
to Stop Fighting of
Ukrainians-Poles

By FRED S. FERGUSON.
(United Press Staff Correspondent)

PARIS, May 16.—Grave dangers are lurking beneath the surface of the peace settlement in the opinion of persons in close touch with the general situation. This rests in the fact that everybody is too ready to fight.

Against the theory that the European nations are too exhausted to fight further it is pointed out that history shows all countries in the past have been more warlike at the end of a long struggle than after an era of peace. After the Civil War for instance the United States defied both France and Great Britain.

NATION WIDE REFERENDUM ON
SIGNING PEACE BEING URGED

BERLIN, May 14.—The Vorwaerts and the Lokal Anzeiger urged today that a nation-wide referendum be held on signing of the peace treaty.

The Munich Post, the most important majority socialist paper in Bavaria, said:

"We neither can accept nor refuse. We must sign under protest, hoping the Entente will come to its senses."

PARIS, May 16.—Italian delegates were optimistic today for the first time since their return to the peace conference. They expressed hope that the present negotiations would result in a solution of the Adriatic problem within a few days.

ALLIES WILL WEAR MUFTI TO PREVENT ACTS OF VIOLENCE

By CARL D. GROAT.
(United Press Staff Correspondent)

BERLIN, May 16.—American and British officers today were ordered to wear mufti outside their quarters lest the Germans be invited to acts of violence. American couriers in uniform are compelled to remain inside the Hotel Adlon.

The feeling prevails in American quarters that the demonstration against the peace treaty before the Hotel Adlon in which 15,000 persons participated Tuesday may be only the forerunner of even greater occurrences. Despite the fact that the prefect of police has warned the people there must be no repetition of the Adlon incident, the spirit of unrest in the city is obviously growing and according to allied officials must soon find some outlet.

In a food riot at Stettin, 80 miles northeast of Berlin, ten persons were wounded yesterday, according to advices received here.

CROWD GIVES DEMONSTRATION AGAINST TERMS IN HAMBURG

BASLE, May 16.—A great crowd staged a demonstration against the peace terms in front of the Atlantic Hotel in Hamburg, headquarters of the American commission, according to a despatch received from that city today.

Several orators protested against "assassination of the German people." An interpreter translated the speeches for the benefit of the Americans. There was no violence.

BERNE, May 16.—"Only an idiot would sign such a peace," declared Herr Graf, majority socialist, in addressing a portion of the Prussian assembly, a Berlin dispatch reported today.

Assemblymen Herget charged President Wilson with bad faith while Assemblyman Merbold said the treaty is a travesty on Wilson's principles.

LONDON, May 16.—An Exchange Telegraph dispatch from Berlin today reported Foreign Minister Brockdorff.

(Continued on Page Two)

WANT U. S. SHIPS UNDER PRIVATE OWNERSHIP

SAN FRANCISCO, May 16.—The Pacific Coast shipping interests will bring all possible pressure to bear on Chairman Hurley of the Shipping Board in favor of a return to private ownership of the merchant marine, Captain Robert Dollar told the United Press today.

Shipping men representing the entire coast at a luncheon today discussed the situation and drew up instructions for two delegates who will leave tomorrow night to attend a conference of national shipping men called by Hurley.

Dollar explained the Pacific-American Steamship Association, formed late yesterday by the coast shipping men, was formed in order to better handle the matter of return to private ownership. Dollar was elected president of the association.

"The ship owners know," said Dollar, "that without private ownership it will be impossible to go out successfully after world trade. Government ownership won't do. In the matter of railroads the government can get by in a way by raising rates but rates cannot be raised when we are competing in foreign markets. We want Hurley's influence behind us in our attempt to return the merchant marine to private ownership."

H. W. Poett of William, Diamond & Company and Harry Struthers of Struthers and Dixon, were chosen as delegates to go to Washington.

SHOUP PRESIDENT OF S. P. RAILWAY COMPANY

SAN FRANCISCO, May 16.—Paul Shoup was named president of the Southern Pacific Railroad Company at a meeting of directors yesterday. The Southern Pacific Railroad Company is a subsidiary of the Southern Pacific Company.

William F. Herrin was chosen as president of the Central Pacific Railway Company, a Utah corporation, another subsidiary. Paul Shoup was among the vice presidents named by the Central Pacific Company and Herrin was included among the Southern Pacific railroad vice presidents.

ADMIRAL TO RETIRE.

LOS ANGELES, May 16.—Rear-Admiral Robert M. Doyle, U. S. N., commanding the North Pacific fleet, is en route from Hawaii to San Francisco and from there will go to New York and Washington to ask retirement, according to a letter received by his son, H. H. Doyle of Los Angeles.

Summer Needs in Wash Goods

White Material and Colored in New Designs

White Skirtings, New Patterns, 50c to \$1.25

—And such a variety and such pretty patterns, both stripes and plaids, and Gabardines with invisible stripes, or plain, basket weaves, etc. The materials are heavy weight, beautifully bleached, and a yard or over wide.

New Embroidered Voile Waistings, \$1.25 to \$1.75

—Of the daintiest of designs in all white, these new Voiles are exceptionally pretty for nice white waists. We show a range of small patterns on several qualities of material from 36 to 40 inches wide, at \$1.25 to \$1.75.

White Nainsooks and Longcloths

—Our whole line of staple white Nainsooks and Longcloths go on sale at 10 per cent discount from regular prices. We show Nainsooks at 25c to 50c in seven different grades, and Longcloths at the same prices.

Silk Figured Tissue Gingham, 75c

—Showing the new plaids, in this handsome material, individual designs in yellows, pinks, blues, greens and mixtures, with stripes in silk. 32 inches wide at 75c.

New Printed Voiles, 50c to 75c

—All new patterns and color combinations, in light or dark grounds, including rose, lavender, mode, etc., and a riot of designs. Four qualities, at 50c, 60c, 65c, 75c.

Exclusive Voiles, \$1.25

—Highest quality material, and exclusive designs in uncommon shades and color combinations, printed in clean-cut patterns.

Striped Voiles, 50c, 60c, 75c

—Colored grounds in apricot, blues and gray with white corded stripes, or white grounds with corded stripes in colors.

SUBSCRIBERS FAVOR TELEPHONE ACTION

(Continued from Page One)

over the rates existing before March 1 is about 100 per cent. In some instances the increase is less, the rates being according to the number of subscribers on a party line.

The action of the committee appointed at a meeting held here last Friday night in calling mass meetings in all the exchange districts for Tuesday night, is meeting with hearty approval. Anaheim, Fullerton, Orange and Santa Ana, the four larger cities of the county, all have taken action for such meetings. The Santa Ana meeting will be held in the council rooms in the city hall Tuesday evening of next week at 7:30 o'clock.

The county committee will meet at the Chamber of Commerce rooms tomorrow afternoon to complete further plans for the mass meeting to be held throughout the county.

Blank orders to the telephone company to take out phones have been prepared and also resolutions favoring the organization of a county mutual system. These will be sent to the various districts for presentation at the mass meetings and for circulation in the different communities.

The order to remove phones will be returned to the secretary of the Santa Chamber of Commerce and when three-fourths of the phone subscribers of the county have attached their signatures to the blanks, they will be given to the telephone company. They will be positive orders and will have to be obeyed.

There is some disposition to wait until after June 1st before presenting removal orders. The United States Supreme Court now has under advisement the question as to whether the State Railroad Commission or the federal government has jurisdiction over rates here. Should the decision be favorable to the Railroad Commission it is probable that the company will be directed to return to the rates and conditions made effective on March 1st.

With the return to free switching privileges, it is not believed there will be any great objection to increase rates for phones put into effect on March 1st.

Merchants' noonday lunch at the Dragon—quick service and a splendid varied menu.

THREE TIMES A WEEK FOR THREE WEEKS

After the long winter months, too much rich food and too little exercise, practically everyone feels the necessity for a good Spring Tonic and Blood Purifier. The very best spring medicine you can take is the king of tonic laxatives—

CELERY KING

Three times a week for three weeks, brew a cup of this purely vegetable laxative tea and drink it just before retiring. Gently, yet effectively, it will drive out all impurities and not only make you feel better, but look better, right away, giving you a sweet breath, clear skin and a healthy appetite.

SELF POISONING VERY PREVALENT

Auto-Intoxication, or Slow Self Poisoning, Cause of Most Ill Health and Disease

Advanced medical authorities assert that auto-intoxication is the foundation of most of the ills and diseases to which the human flesh is heir.

This condition is nothing more nor less than the slow self-poisoning of the vital organs produced by the excessive mental and physical strain which we are forced to endure, which renders the organs lame and inactive, and permits toxins—actual poisons—to be generated within one's own body.

Usually the trouble starts in the intestines; sometimes it starts in the stomach, liver, or kidneys, but in any case the blame lies with the faulty method of living, and may be traced to over-eating, excessive nervous strain, lack of exercise, or other causes. At any rate it is the more important organs that suffer the final damage and when they falter or fail in their duties the body fills up with acids and poisons, and the victim often yields to their baneful influences. Bright's disease, heart trouble, high blood pressure, catarrhal affections, and other troubles are frequently the result of self poisoning or auto-intoxication.

A tired draggy feeling of the body, a sluggish mind and dull memory, intense nervousness, headache, stomach and bowel troubles, poor circulation, imperfect digestion, constipation and despondency are common symptoms of auto-intoxication; and nine out of every ten of the American people are likely to be so affected.

Tanlac, the powerful reconstructive and systematic tonic, was designed especially to overcome these very troubles. There is not a single portion of the body that is not benefited by the helpful work of this celebrated preparation, which begins its action by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the entire system. Composed of the most beneficial roots and herbs known to science, it enables the stomach to thoroughly digest the food, thereby permitting the assimilating products to be converted into blood, bone and muscle. It overcomes that great exciting cause of disease weakness. It renders the body vigorous and elastic, it keeps the mind clear and energetic, and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by disease or mental and physical overwork, quickens convalescence of the invalid, and is a sure and unfailing source of comfort to those who are suffering from the effects of nervousness and overwork.

That Tanlac does these very things is proven by the fact that it now has the largest sale of any tonic on the American market. Millions have used it with the most astonishing and gratifying results.

Tanlac is sold in Santa Ana by Rowley Drug Co. in Fullerton by G. W. Finch, in La Habra by R. H. Hilbert, in Huntington Beach by Rigdon's Pharmacy, in Orange by Dittmer's Mission Pharmacy, in Placentia by A. J. Robinson, in Tustin by Tustin Drug Co., in Brea by Brea Pharmacy, in Buena Park by Regal Drug Co., in Garden Grove by O. H. Anderson, and in Laguna Beach by Laguna Beach Pharmacy.—Adv.

Moving east—one door—on June 1. More business—larger 1/4s, better service. Main Shoe Hospital.

For a quick and satisfying noonday lunch, try the Dragon.

ANGER LURKING IN SETTLEMENT OF PEACE

Terms Being Criticized By Many Nations; Italians Play New Game

(Continued from Page One)

Rantau, following a conference with the other German delegates, had announced he would not sign the treaty in its present form because the terms could not be fulfilled.

PARIS, May 16.—The German counter proposal regarding the Saar basin agrees to surrender the coal mines but insists upon retention of political jurisdiction over the region, it was learned from authoritative sources today.

GERMANY SHOULD SIGN TREATY, SAYS BRITISH LABOR LEADER BY LOWELL MELLETT

(United Press Staff Correspondent) PARIS, May 16.—"My advice to the Germans would be to sign the treaty," Arthur Henderson, British labor leader, declared in an interview here today.

Henderson has been aiding in preparing the report of the "Big Four" regarding the Germans' labor recommendations and recently participated in a three day conference of socialists of various countries who adopted resolutions partly endorsing and partly condemning the treaty.

"We are bound to recognize that certain injustices attributable to past wars have been repaired," he said. "Some peoples long kept in subjection have been liberated. We welcome creation of the league of nations. In its present form, however, the league is an association of governments and executives rather than peoples and parliaments. It fails to compel members entirely to renounce recourse to war. Instead of being an organ of international justice it has the appearance of a victorious coalition dominated by the five great powers. Failure to include Germany and Russia should be righted as speedily as possible if prevention of war is really desired."

"The whole treaty shows the nations are still menaced by the policy that to the victor belongs the spoils, in utter disregard of the inevitable consequences. However, Germany should sign and await the coming time when the western powers will be more democratic. There is every indication she will not have to wait long."

From Belgium—in fact, from everywhere—have come criticisms of the peace treaty. And one of the knottiest problems of all—disposition of Fiume—is yet to be settled. The Italians are playing an entirely new game. Instead of pushing their claims they apparently are co-operating to the utmost in other work. They have not shown any inclination to abandon their claims but they are not pushing the subject.

Considering the fact that the Italian army is not demobilized and the Italians now occupy all the territory they are claiming, the question arises who would put the Italians out providing they would go so far as to sign the peace treaty and then refuse to evacuate the territories they claim are rightfully theirs. Such a task eventually would probably fall to the already heavily burdened League of nations, it is believed.

Through American influence, it is believed, an arrangement will be made whereby the Ukrainians and Poles will cease fighting. But this is only one of the numerous minor wars that are being waged in Europe. Establishment of peace between the Poles and Ukrainians would mean that General Haller's army, recently transported from France to Poland, through Germany, would be available in helping to keep back the Bolsheviks. So this would merely be stopping one war to assist in carrying on another and such a move could not be construed as a real step toward world peace.

MRS. SANFORD'S MESSAGE TO WORKING WOMEN

Laurel, Miss. — "Eight years ago I was suffering with pains and weakness caused by a female trouble. I had headaches, chills and fevers, and was unable to do my work part of the time. Lydia E. Pinkham's Vegetable Compound was recommended to me and I took twelve bottles of it, and my health has been good ever since. I am able to run the machine and do dress-making besides my housework. You are at liberty to publish my letter if it will help some poor suffering woman."

—Mrs. J. C. SANFORD, 1237 Second Ave., Laurel, Miss.

Thousands of women drag along from day to day in just such a miserable condition as was Mrs. Sanford, or suffering from displacements, irregularities, inflammation, ulceration, backache, sideache, headache, nervousness, or "the blues."

Such women should profit by Mrs. Sanford's experience and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and find relief from their sufferings as she did. For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their long experience is at your service.

POSSIBILITY OF BENEFITS FROM PORT SHOWN

Terms Being Criticized By Santa Ana Bankers Party Unanimous For Harbor Development at Newport

The great possibilities of benefits to Santa Ana and all Orange county from development of a harbor at Newport Bay were shown yesterday afternoon to a party of Santa Ana bankers and business men, all of whom said they were strong for the proposed development through the county harbor bond issue to be voted on June 10.

They were taken on a boat ride over the bay to see the work which has already been done by the city of Newport Beach, and then out past the jetty into the open ocean, a trip which none of them would have dared to take through the rough water there before the jetty was built. They found the channel calm now and were immensely surprised at the great improvement caused by the jetty construction.

"You can put me down as strongly in favor of the harbor bonds," was in brief the declaration of each of the visitors.

The harbor development, in the opinion of these men, will have an immediate benefit through increasing the attractiveness of Newport Bay as a place for pleasure for visitors and

Scene from "YANKEE DOODLE IN BERLIN," TEMPLE, May 16, 17 and 18.

L. A. MAN IS CHARGED WITH EVADING DRAFT

SAN FRANCISCO, May 16.—Raymond E. King, Los Angeles electrical worker, is today held to the federal grand jury on charge of evading the draft by misrepresenting himself as married. King was arrested an hour after he wedded Edna Welcher of Crockett, in Oakland. Mrs. Abbie L. Locke alleges he lived with her three years and took her to Arizona, where he told selective service officials she was his wife, thus gaining exemption.

tourists and where they can bring their yachts. These people will be attracted immediately by the harbor, and many of them will buy property somewhere in the county so as to be near their favorite resort. Such investors and tourists are needed to help develop the county's resources. It is felt, and the harbor together with the city's proposed new tourist hotel, will bring them here at once, so that immediate benefit will be received from the harbor.

Coupled with this feature, there will be the manufacturing and industrial enterprises which are bound to come, and commercial shipping is bound to develop, they firmly believe, and they predict that the harbor will return benefits to the county in many ways not now dreamed of. The river diversion, it was felt, will in itself be most advantageous to the county, as it will prevent the river from overflowing the lowland farming country as it did a few years ago, causing many thousands of dollars worth of damage.

In the Santa Ana party visiting the bay yesterday as guests of the Balboa Chamber of Commerce were: E. E. Vincent, L. M. Doyle, E. L. Crawford and Everett A. White of the California National Bank; J. S. Smart, J. N. Kelly, Bob White, O. A. Haley and Asa Hoffman.

Here's Your Summer Pump or Oxford

Whether for beach or inland wear, Summer Shoes must be cool and dainty. The "lazy" days of early summer demand comfortable footwear. But, how much satisfaction there is in knowing that one's comfortable oxfords or pumps are also the smartest in the crowd.

Such are the kind of summer shoes we offer below:

Black Kid Pumps—leather Louis heels, \$6.00. Covered heels, \$7.00. Duplicates in patent leather.

Black Glazed Kid Oxfords leather Louis heels, \$6.00; also in covered heels \$7.50.

Military heel Oxfords—Dressy lasts in Brown Kid, welt soles, belting soles, brown calf skin, \$6, \$6.50, \$7.00, \$8.00.

PUMP BUCKLES—WE HAVE 'EM. Always See Us For Ladies' Silk Hosiery

SHORT VAMP OXFORDS in black and brown glazed kid, leather Louis heels, Goodyear welt soles, \$7.50 and \$8.00—Something different.

WHITE CANVAS OXFORDS in low, medium and high heels, \$2.50, \$3.00, \$4.50, \$5.00.

WHITE KID AND CALF SKIN OXFORDS, \$6.00, \$8.50 to \$10.00.

ENCAMPMENT OF VETERANS TO END TODAY

New Officers Are Installed, Unfinished Business Is Completed

(Continued from Page One)

fused in the minds of the public with the Woman's Relief Corps and the Grand Army of the Republic, therefore be it

"Resolved, that the Woman's Relief Corps in annual convention and the Grand Army of the Republic in annual encampment assembled hereby make known to all concerned that the organization known as the "Women and Girl Workers of '61-'65" is in no way affiliated with the Grand Army of the Republic and the Woman's Relief Corps."

W. R. C. OFFICERS CHOSEN, SALE OF W.S.S. ENDORSED

The W. R. C. convention adopted a resolution endorsing the government's plan for continuing the sale and promotion of War Savings Stamps. A telegram was authorized extending greetings to the Federation of Women's Clubs in convention at Coronado.

At yesterday's W. R. C. meeting, a testimonial was presented to the retiring president, and gifts were made to other officers.

The visiting ladies were very appreciative of the entertainment at Clune's given last night by the Santa Ana circle, and praised very highly the manner in which it was arranged and carried out.

New W. R. C. Officers

The new Woman's Relief Corps department officers are the following:

President—Agnes E. Pease, San Francisco.

Senior Vice-President—Mrs. Martha M. Durfee, Santa Barbara.

Junior Vice-President—Margaret Jenkins, Redondo Beach.

Secretary—Mary L. Gerrong, San Francisco.

Treasurer, Margaret Farmer, San Francisco.

Chaplain—Jennie Heffelfinger, Los Angeles.

Inspector—Mary E. Snyder, Los Angeles.

Counselor—Carrie L. Hoyt, Berkeley.

Instituting and Installing Officer—Zena Canning, Reno.

Patriotic Instructor—Emma Shearer,

Santa Monica. Press Correspondent—Mahala Buckley, Pasadena. Senior Aide—Rathernie Francisco, Bishop.

Executive Board—Alice Gabriel, Berkeley; Helen Kellogg, Santa Ana; Sarah A. Martin, Los Angeles; Susan McFarland Clark, Oakland; Nellie Edell, San Francisco.

The W. R. C. completed its convention this afternoon, finishing up its business and with installation of the newly elected officers.

EVA MELL OF SANTA ANA IS NAMED D. OF R. PRESIDENT

Eva Bell of Santa Ana was elected department president of the Daughters of Veterans at the election held yesterday afternoon. Other officers chosen were the following: Senior vice-president, Lizzie Crapo, Long Beach; junior vice-president, Ella Heath, Fresno; treasurer, Kate Fuller, Fullerton; chaplain, Orlena Wrought, San Jose; patriotic instructor, Eva Gage, Fullerton; inspector, Jane Zimmerman, Fresno; members of council, Margaret Stoner, Sawtelle; Mary Rome, San Francisco; Hattie Van Alstine, Oakland; delegate at large to national convention, Clara Wakefield, Fresno; delegates to national convention, Lida Pearsons, Ella Heath, Mamie Deems, Frances Davenport, Carrie Smith, Mary Rome, and Josephine Hanby.

Telegrams conveying greetings and best wishes from National President Estella M. Moore and Past Department President Dr. Sarah Pugh were received by the Daughters yesterday.

Splendid reports were received from the different Tent presidents and showed great activity and splendid work being accomplished. Especially has this been true the past year when the war work was so necessary. Sawtelle Tent reported three of their members having earned the Red Cross emblems, one Veteran's wife at Sawtelle, a cripple in a wheel chair, knit 198 pairs of socks. San Diego Tent deserves special mention because of the splendid work done by the Tent for the soldier boys at Camp Kearny. Both Long Beach and Sawtelle Tents have adopted French orphans.

The department President, Jane Zimmerman, was honored by being appointed by the government as a member of the Red Cross Canteen service. She is one of four Fresno ladies who will work between the two division points, Bakersfield and San Francisco. She urged all to keep in mind the fact that never before has there been the opportunity for work as there is today.

Entertainment Enjoyable A delightful feature of convention week was enjoyed by delegates at the Temple theater last night, being an entertainment given by Sarah A. Rounds Tent No. 10, D. of V. of Santa Ana, with music by the Langley Orchestra. The enjoyable program numbers were the following:

Quartette—"America Will Fight for

You (Gustlin), Mrs. W. R. Coleman,

Mrs. F. W. Slabaugh, Mr. F. C. Row-

land, Mr. Maurice Phillips; Mr. Clarence A. Gustlin, accompanist.

Reading—"A Snow Scene," Mrs. Nelson.

Solo—"America for Me," Miss Holly Lash; Miss Ruth Violet, accompanist.

Violin Solo—"Fifth Nocturne (Leybach), Mr. Jack Langley.

Hawaiian Dance, Miss Elizabeth Roehm.

Solo, Miss Holly Lash; Miss Ruth Violet (piano), Mr. E. Burns (cello), accompanists.

Quartette—"Spring's Invitation" (Gustlin), Mrs. W. R. Coleman, Miss Holly Lash, Mrs. Ella Campau, Mrs. F. W. Clabaugh; Mr. Clarence Gustlin, accompanist.

Flag Drill by Twenty-four girls; Mrs. Helen McArthur, leader; Mrs. Florence Watry, accompanist.

Solo—"The Corporal's Ditty" (Squire), "The Soldier's Soliloquy" (Gustlin), Mr. Maurice Phillips.

Reading—"Old Glory" (James Whitcomb Riley), Mrs. F. C. Porter.

Living Flag by fifty-eight girls; orchestra accompaniment.

"Star Spangled Banner."

DR. BAER MODERATOR GENERAL ASSEMBLY

ST. LOUIS, Mo., May 16.—J. Willis Baer, Pasadena, Cal., banker, late yesterday was elected moderator at the 131st general assembly of the Presbyterian Church in the United States, in session here. This is the first time in history a layman was chosen as the highest officer of the church.

Mr. Baer was the only layman nominated.

Mr. Baer is vice chairman of the New Era movement, which has on hand the raising of \$38,000,000 for Presbyterian Church work, and is former associate secretary of the Board of Home Missions. For many years he was general secretary of the Christian Endeavor.

He also is a member of the executive committee of the Inter-Church world movement, which plans the alliance of all Protestant churches.

adopted providing for a series of clubs within the order, to be known as the Lincoln Club, Past Patriotic Instructors' Club, and the Past Commanders' Club.

New Officers Chosen

Late in the afternoon the election of officers took place, with the following results:

Division Commander—William H. Hyden, of Los Angeles.

Senior Vice Commander—T. E. Carr, San Francisco.

Junior Vice Commander—C. O. Boynton, Long Beach.

Division Council—D. W. Lewis, Riverside; B. S. Davis, Los Angeles; Smith Shallenberger, Long Beach.

Delegate-at-Large—Francis C. Hawthorne, Los Angeles.

Alternate-at-Large—David F. Weaver, San Diego.

Delegate—G. A. W. Faust, Santa Ana.

Alternate—Frederick Clinton Martin, Los Angeles.

After the election the above named officers were installed by Past Division Commander Louis de P. Callahan, of Los Angeles.

Mrs. Thompson, vice president of the Sons of Veterans' Auxiliary, Division of California, entertained members of the division at her beautiful home at Balboa, Wednesday afternoon. Music and refreshments were indulged in.

Among other resolutions, the following was passed, at yesterday's business session:

Resolved, That the California and Pacific Division of the Sons of Veterans hereby extend their thanks to the Santa Ana Register for the very complete daily reports of its proceedings and the courtesy generally extended to our order during the encampment.

Believing its present name more or less misleading, the California Division, Sons of Veterans, yesterday prepared a recommendation to be presented to the national body, proposing a change of name of the order. The proposed new name is Sons of the Grand Army of the Republic, U. S. A.

The Sons' convention came to a close last night, after a day check full of business matters. Resolutions were

PROPOSE CHANGE OF NAME FOR SONS OF VETERANS

THE COUNTY PARK

The growing popularity of the County Park is not a cause for wonder. It is a beautiful place. Its wonderful grove of oaks and its charm of the out-of-doors has always made it a mecca of those seeking recreation. In the early days the pioneers gathered beneath these same oaks. There was a wagon road that went directly up the bottom of the gulch, and to lighten the load everybody got out of the wagon or buggy and walked while the horses struggled toward the top. There, at what was known to those days as the Picnic Grounds, upon each May Day, were gatherings that all of the old settlers remember fondly. Then, as now, throughout the year it was a favorite place for outings.

The present El Modena grade was instituted long before automobiles arrived, and like the familiar spring wagons and buggies that used to dot the way it, unpaved and rough, is to be ranked as belonging to a period now past. That the road to the park is to be paved, and that soon is a matter that pleases not only ourselves, but our neighbors of Long Beach and Los Angeles, who are as fond of the County Park as we are.

The number of visitors at the park has grown into the thousands each week, during good weather. Never has its popularity grown so rapidly as it has this spring. With the arrival of the new fiscal year on July 1, the Board of Supervisors will make a good many improvements at the park. An adequate tax rate should be provided, so that the many things that the board and the public wants done may be done at once. The property should be put into shape to give as much enjoyment as possible to as many people as care to go there.

IN THE FACTORY

The employer in the American factory which uses foreign labor undoubtedly has the best opportunity to aid in Americanization.

He has daily gathered together under one roof sufficient material for a class. He can give practical demonstrations of the fact that the foreigner who learns English, and becomes an American citizen will make better wages than the man who does not. His word will carry a weight which the speech of the most ardent outsider will lack.

It takes courage and enthusiasm for a man who has worked in a shop all day to go out to a school at night; but if the chance for education is offered him under the roof where he works, he will be easily persuaded to begin, and under skillful instruction, interest and enthusiasm will follow.

One great factory which conducts such an Americanization school arranges that when several of its men are ready to take the final examinations for citizenship they may be heard in a group, and matters may be expedited for them.

This same factory stimulates a lively interest in the questions of the day, and gives instruction on legal questions, banking, tax-returns, questionnaires and all the multitude of matters which without this aid must be puzzling in the extreme to the struggling alien.

The results in Americanism and also in profit to the concern are most gratifying. Instead of a labor shortage, this company, which employs its thousands, has a waiting list of employees.

STOOD THE TEST

Throughout the trying years of the war, the banks of Orange county stood loyally shoulder to shoulder with the people in every patriotic drive calling for war service. Probably no county in the state has a better record for willingness and effective work in war service than have the bankers of Orange county.

The whole banking system of America stood the test of the strain of war admirably. Throughout the period in which values changed quickly and demands for financial aid for the government followed one upon the heels of the other, the banks and the federal reserve system made good. Their business is deep-rooted in the confidence of the people, deeper now than ever before, and since the mere existence of any bank rests upon the confidence that the people of its community have in it that fact is of supreme importance.

Only one national bank in the country has failed within the last four months; only two in the last sixteen months. The federal reserve system may be said to have reached as near

the point of absolute safety in banking as may be expected.

It has been said that, all things taken into account, the federal reserve system won the war. Probably it would be strictly true to say of that system, as of many other essential contributing factors, that the war could not have been won without it. The old system of national banks and high-priced circulation never would have sufficed for the flotation of twenty billion dollars of federal bonds, not to speak of the immense expansion of industry to meet the demands of war, and the supply of essential aid, financial and otherwise to the European Allies.

Our Orange county banks have served us well in peace and in war, and under the new era of peace-after-war that we have entered upon they are destined to be of greater usefulness in the development of the county than ever before. They have stood the severe test brought about by war conditions and came through with flying colors.

Ralph F. Brown, an experienced newspaperman, has bought a half interest in the Fullerton News and will be associated in the publication of that excellent weekly with J. Gallimore. A few years ago he was secretary of the mayor of St. Paul, Minn.

For Civilization

New York Sun—It is one of the phenomena of the present war that up to April 12 it never had an official or generally accepted name. It has been variously styled by a few writers as the World War and the Great War. One of our military journals suggested that we call it the European War, since this was the first time United States troops fought on that continent. There was an attempt made by our War Department to call it the War of 1918, but that feeble flight of imagination briefly flickered and went out. Some of our army officers christened it, in a spirit of professional distaste, "The War of the Existing Emergency," owing to the prevalence of that phrase in orders, appointments, enlistment papers, etc.

But now we learn, through General March's announcement of April 12 concerning the new Victory Loan medal to be issued by the United States and the Allied nations, that the war at last has a name. For the reverse of that medal is to bear the title, "The Great War for Civilization." And the ribbon for the medal is to be of the colors of a rainbow, doubled, with the red in the center.

The Great War for Civilization—somehow the phrase has an inconsequential, smug air. There is none of the sonority of such names as the Peloponnesian War and the Mithridatic War; none of the romantic beauty of a title like the Wars of Roses; nor such a natural alliteration as we find in the War of the Spanish Succession. In its suggestion of a long span of time our title is insignificant as compared to the Hundred Years' War; nor do we find a national association, as is evoked in a name such as the Spanish-American War. Only one war has come down to us from the past with the same adjective used in its title as in ours; that is the Great Northern War of the early eighteenth century. For majestic effect the title of our last war is markedly inferior to that of our first contest, the War of American Independence.

PERSONALS

Mrs. E. G. Holmes of 1104 North Main, is leaving Saturday with her nephew, C. D. Holmes, for Detroit, Minn. She will join her husband at Detroit, where he has been for the past month.

Mrs. Susie Smith and her daughter, Miss Eva Smith, spent today in Los Angeles.

Volney Tubbs, John W. Tubbs, and Harry Heffner of Huntington Beach left this morning for Rock Creek, on the desert side of the San Bernardino mountains, to be gone for several days.

Mr. and Mrs. Urban Plavan left this morning for a week or two of vacation at Big Bear Lake.

Mr. and Mrs. F. L. Rogers are taking quite an extensive trip by automobile throughout the state. They will go up the inland route, through Yosemite, and will be on the trip for a month or two.

Judge E. B. Covington of 509 South Broadway is enjoying a visit from his sister, Mrs. M. L. Brown, of Oakland. Brother and sister had not met since separating as youngsters, in San Bernardino county, thirty-four years ago.

Dr. Chas. Whitted has gone to Balboa to enjoy some surf fishing during the week-end, and will return Monday. R. H. Glidden, wagoner with the 316th Engineers, returned home yesterday, having been released at the Presidio. He will resume his position as a truck driver with the Standard Oil Company.

Horace Manger of El Toro, member of Co. F, 115th Engineers, was met by relatives when the train arrived in Los Angeles yesterday, and went with them to Irvine and El Toro, where he spent the day. He joined his company in time to go to Camp Kearny, where he will receive his discharge within a few days.

SAILORS KEPT ASHORE WILL BE SENT TO SEA

VALLEJO, Cal., May 16.—Jack Tar who remained on shore duty during the war is to "shove off" soon and ship on the navy vessels while the "gob" spending the war days on the briny is to "hit the beach." The Mare Island navy yard is today transferring many to sea duty to replace the men now at sea who are entitled to discharge.

DOCTORS NAME OFFICERS. SAN JOSE, Cal., May 16.—Final sessions and selection of the next convention city occupy the Homeopathic Medical association in session here. Dr. N. A. Atwood of Riverside has been elected president, with Dr. A. W. Crawford, Oakland, vice-president, and Dr. T. C. Lowe of Los Angeles, treasurer.

City and County Briefs

At a meeting of the Southern Counties Medical Association held at the Mission Inn, Pasadena, on Wednesday and Thursday of this week, Santa Ana was represented by Dr. Robertson, Dr. Dubois, Dr. Tralle, Dr. McAuley, all of Santa Ana, and Dr. Vielle of Garden Grove. Some very interesting papers and addresses were given, which constituted the main part of the program.

Malcolm Finley, who was president of a local organization of boys interested in wireless telegraphy when the government ordered all private wireless apparatus dismantled, says that there will probably be no re-organization of the club until the government allows messages to be sent. A recent ruling allows messages to be received.

Victory Loan subscribers have until May 20 in which to complete payments upon their bonds without loss of interest. If the bonds are paid for after that date the accumulated interest must be charged, as the subscriber has not loaned his money to the government until he pays it in. If the subscriber is paying for his bond in installments, he has no further payment to make until July 15.

The Anaheim Band has secured as its leader E. B. Tozier, at present the leader of the Shipbuilders' Band at Long Beach. Much enthusiasm is being shown by the band members in the rehearsals and practices and under the new leadership a good band is an assured fact.

At a meeting of the Anaheim grammar school board, Miss Mattie Lou Robertson, who has been a teacher at Central school for the last year, was raised to the principalship, succeeding Miss Bertha Schmidt, who has been in the Anaheim schools nine years. The high school board, following a meeting, announced another meeting would be held next Tuesday evening, following which announcements of appointments to the high school faculty would be made. The delay was made to permit more time to consider increases in salary.

E. R. Chamberlin of Santa Ana has purchased, through the C. B. Berger Company of Anaheim, general agent for the Peralta Hills tract, lot 29, which is 15 1/4 acres planted solid to Valencia oranges, fully water stocked and equipped with pipe lines and valves for water distribution. The Chamberlins have a beautiful building site on their new property, but it is not known whether they will build immediately or not.

The Robert Winter ten-acre grove and home, situated 1 1/2 miles east of Anaheim, has been purchased by Mr. and Mrs. R. Wollenman of Santa Ana. The Wollenmans have taken possession of their new home, which is improved with six-year-old Valencia oranges, fully water stocked and equipped with elaborate irrigating water distributing system.

A plan formulated some time ago will soon be realized if the arrangements which are well under way, meet with the hearty support of the people of Anaheim. It has long been the cherished wish of the Anaheim W. C. T. U. to establish a reading room for men and boys and rest room for women. At the Board of Trade meeting Monday night the matter was brought up by Mrs. L. C. Yeoman, county president, who asked that the project be given the hearty endorsement of that body. In addition to the reading room there will be a rest room for ladies.

Work on the new three and a half miles of six-inch pipe line to be put in by the Southern Counties Gas Company was commenced Tuesday. It will be run up the Placentia-Yorba boulevard through Richfield and will connect eight wells. Three of these are owned by the Standard, three by the Amalgamated and one by the Fullerton company.

Anaheim Gloriana, \$6.80 per box; Delicia Sunlist, \$6.20 per box. There were the prices at which the two leading brands of the Anaheim Orange and Lemon Association sold on the New York market Tuesday.

Sergeant John Holditch, recently returned from overseas with the 364th infantry of the 91st division, gave an interesting two-hour talk before the Men's Club of Orange last night. The talk by D. W. McDannald scheduled for last night will be given at a later date.

W. A. Cornelius is to enter the four-day shoot to be conducted next week by the Los Angeles Gun Club. Cornelius is one of the best shots on the coast. He has three official records of over 100 without a miss, his best record being 116 straight.

City Marshal Sam Jernigan has been honored as Orange county representative of Potente Louis M. Cole, Al Malakiah, Oasis, of Los Angeles. Judge W. H. Thomas has had this distinction for some years, but his appointment to the appellate court in Los Angeles has necessitated the appointment of a successor.

"We are here, join the one big union, I. W. W." Stickers with this inscription, were posted at Brea Wednesday night, evidently in an effort to get in touch with oil workers. The stickers were printed in English and Spanish. City Marshal Sam Jernigan has received samples of them, as have other officers, and effort will be made to locate the parties responsible for their distribution.

E. R. Halesworth of Santa Ana, has petitioned in the Superior court of San Bernardino county to have property that he owns in that county registered under the Torrens Land Act.

Soldiers Soothe Skin Troubles with Cuticura

The Forum

Editorials By
Register Readers

A CORRECTION

In Mr. Jackman's article in the Forum, yesterday, the last line of one paragraph and the first line of the next succeeding paragraph were dropped in the "make-up," thus obscuring the meaning of the statements, which should have read as follows:

What Mr. Jackman Wrote
Mr. Lew Wallace, secretary and member of the harbor commission, also chief booster of the harbor, said in an article, written at a time when Newport Beach was getting ready to spend \$100,000 on her jetty, that when that was done, ships drawing eighteen feet of water could safely enter the harbor. Now that they have spent \$25,000 more than that amount,

will Mr. Wallace himself say that he claimed then is now possible? Again, in the same article, he named many of the world's greatest harbors, at the same time giving the cost of them. These ranged from \$225,000 down to \$8,000,000. Then, also in the same article, he made this remarkable statement:

"Millions upon millions of dollars have been spent to build harbors, and when it is known that much less than \$500,000 will build a harbor at Newport Bay that will compare favorably with many of them," etc.

We would like to know, if this is true, why they are asking for \$500,000 if much less will build the harbor?

AMUSEMENTS

At the Temple Theatre on May 16, 17, and 18, the famous Sennett Bathing Beauties, whose charms have been hitherto extolled only on the silver screen, are to appear in person. They will make the journey to Santa Ana especially for the purpose, by special permission of the comedy producer, and appear in a series of beautiful tableaux and an act staged by them, in all their gorgeous raiment and clean-lined perfection.

There are five reels of satire and hilarity, entitled "Yankee Doodle in Berlin," with all the Sennett farcure in one cast, and German royal bombast and egotism as the marks of their shafts.

This double attraction will set a new standard for motion picture presentation. The tour of the nereids is said to be as much of a surprise to them as to the public. Hitherto this ensemble of physical radiance has been kept in the California studio for the jealous eye of the camera alone.

Sol L. Lesser of San Francisco, the largest individual distributor of states-right films in the country, who has bought the American and Canadian rights to "Yankee Doodle in Berlin," brought the innovation about by his persuasions for a brief suspension of the studio rule that heretofore kept the girls in seclusion.

Love is the keynote of "The Turn in the Road," a photo-drama written and produced under the direction of King W. Vidor, one of the most talented of the young writers for the screen. It will be shown at the Princess tonight.

Mr. Vidor has succeeded in making his drama a vehicle for teaching the omnipotence of love through the medium of a child. A man who has been brought up in the fear of God, loses his faith when his bride of a year dies in child birth, goes down into the depths, and becomes an agnostic and

Society

Normal President to Speak

The Present Day Club will have a meeting of more than ordinary interest Monday evening, May 19, at Judge W. H. Thomas' home on West First street.

"The Education Which Produced the War," by Dr. Ernest C. Moore, president of Los Angeles Normal school, will be the subject of the address. The discussion will be led by Prof. J. A. Cranston of the city schools and Mrs. A. J. Padgham will have charge of the music.

Bathing Beauties Tonight

That something new under the sun for which the solemn philosopher searched in vain, has been found in Secorland. For the first time in the history of the playhouse, the shadow characters of an important photoplay will step off the screen as living, palpitating humans like their audience, at the Temple tonight, tomorrow and Sunday.

Mack Sennett's famous Bathing Beauties of California, known wherever the comedy king's burlesque stirs the risibles, will journey to this city and present themselves in person, tonight, in conjunction with the premiere of Sennett's most ambitious filmed merrymakers to date, "Yankee Doodle in Berlin," in which they are prominently featured.

They will come by the special grace of Sennett, after much persuasion, to give special eclat of the showing of the play on which he lavished all his genius in a five-reel broadside of satire at the German military caste, and will be seen and heard in a beautifully staged number and series of illuminated poses—of course, in that radiant seashore raiment that is one cause of their unique celebrity. "Yankee Doodle in Berlin" is to be exhibited only in this manner here. The innovation was first tried in San Francisco without a thought of its extension.

"Yankee Doodle" is more than an hour's laugh with few breathing spells. It is not a war play, but was made after the war. It is history of the German royal bluff and his six safety-first princelings, written in the terms of the clown.

Former Santa Ana Boy Visits

Dr. Frank Cartmell, who some fifteen years ago was living in Santa Ana, has been visiting his mother, Mrs. Llewellyn Cartmell, who lives at 306½ Spruence street. Lieut. Cartmell enlisted in the army about fifteen months ago and was sent to an officers' training camp in Texas. He spent about six months there and then spent eight months in France as first lieutenant. Lieut. Cartmell had one assignment after another in France, so that he was not at any one place or with the same organization for any length of time.

Lieut. Cartmell graduated from the Santa Ana High School in 1900, and after going to college, lived in Seligman, Arizona. He has a position there with the Santa Fe and will return there to resume his work.

Ebell Travelers

The First Ebell Travelers will meet next Monday with Mrs. A. W. Ames.

Announcement

Mr. and Mrs. Benjamin D. Peterson of 1009 Bush street, announce the engagement of their daughter, Doris Carlton, to William E. Lallier of Boston, Massachusetts. The wedding will take place early in June at the family summer home at Laguna Beach.

Congress of Mothers Convention

The twentieth annual convention of the California Congress of Mothers and Parent-Teacher Associations will

EAST FOURTH ST. CLEANER

L. L. Trece
309 East Fourth Street.

be held at Santa Cruz, May 27th, 28th and 29th, 1919, by invitation of the Santa Cruz Federation. The sessions will be held in the grill room of the Casino, overlooking the wonderful beach, and the headquarters will be at the adjoining hotel, Casa-del-Rey.

Much interest in the convention is being taken in all parts of the state, and teas, luncheons and pet animal shows are being held to raise money to send delegates.

Sacramento will send at least one-third more delegates than last year.

The program will deal with the problems of reconstruction, and speakers of national importance will appear on the platform.

One evening will be devoted to Federation problems.

Aside from the regular attractions, there will be auto rides, complimentary fish supper at Laveaga Park and an excursion to the Big Trees.

Mrs. J. J. Jury, an able musician and well known in San Jose Normal and club circles, will lead the community singing.

No rates by railroad can be obtained under federal administration. Owing to this fact, parties are planning to motor from all parts of the state.

Numerous hotel and restaurant accommodations are available, also the Cottage City next door to headquarters will be open, affording reasonable rates for mothers desiring to take their children for an outing during the convention.

It is hoped that there will be a large delegation from Orange county.

The program is as follows:

Reception in lobby of Casa del Rey, by P. T. A.

Auto ride, by Real Estate Men's Association.

Complimentary fish supper at Laveaga Park.

Excursion to Big Trees.

There will be ample hotel accommodations for all delegates and friends.

Furnished apartments and bungalows with garage.

Beautiful drives in and near city, such as cliff, mountains, beach and Redwood forests.

Executive Committee Meeting

A special meeting of the executive committee of the Orange County Christian Endeavor Union has been called for next Sunday afternoon at 2:30 o'clock, to be held in the parlor of the United Presbyterian Church. Intensive campaign plans for delegations to the state convention will be formulated. The convention begins June 28 and lasts until July 2. Other important business matters will also be taken up.

Delta Alpha Meeting

Misses Edna and Verna Knoll very delightfully entertained the Delta Alpha class of the First Methodist Sunday school last Tuesday evening at their home on Halesworth street.

The cozy rooms were tastefully decorated with pink and white sweet peas and roses. The time was passed sewing for charity and a short business session was held, presided over by the president, Mrs. Pearl Morse.

All Stores Conveniently Located

Miss Etta Hale gave two humorous readings, which were much enjoyed. Refreshments of delicious cake and cocoa were served. Fifteen were present.

District Deputy Present

The Elks held their regular meeting and initiation Tuesday evening, which were attended by the district deputy grand exalted ruler, Michael S. Shannon, of Los Angeles. A banquet followed with about 250 present. Solos and a quartet furnished enjoyable music for the banquet.

Fraternal Brotherhood

The men's committee under the capable supervision of Mr. Harvey and Mr. Hankey, gave the Fraternal Brotherhood a very pleasant social evening in addition to the regular meeting.

A program of music had been arranged, preceding the treat awaiting for them in the banquet room. Toasts were given by Mrs. E. A. Biggs for the Fraternal Brotherhood, Frank Biggs for the navy, and also for his brother, Martin, who was unable to attend, and Mr. Turner for the army, who told of his experiences in France. Interesting talks were given by Mr. R. Y. Williams and Colonel Heathman. Dancing concluded the evening.

During the business session, several members were admitted by transfer.

Militant suffragists lost their fight at the convention of the California Federation of Women's Clubs today. The convention after a lively discussion adopted a resolution affiliating the State Federation with the National League of Women Voters as opposed to the militant suffragists.

Officers of the clubs named for the ensuing year are: President, Mrs. E. Robert Burdett; vice president, Mrs. J. C. Lynch; treasurer, Mrs. Jennie McConnell; auditor, Mrs. C. C. Arnold.

Election of officers for their ensuing year and action of the proposed resolutions will be the chief events on today's program of the 18th annual convention of the California Federation of Women's Clubs at Coronado.

Papers or special standing committees occupied much of the morning session today. Chairmen reporting were Mrs. Seward Simon, emergency service; Mrs. L. P. Crane, Cora Elliott Jones, memorial; Mrs. C. C. Arnold, Indian welfare; Mrs. P. G. Hubert, war victory fund. Miss Nadine Crump spoke of university extension work.

An interesting feature was the hour with the district presidents following by a spirited discussion of federation ethics by Mrs. G. E. Chapell.

Tea and Reception

The Daughters of the American Revolution will give a reciprocity tea and reception at the Alexandria Hotel next Tuesday to welcome Mrs. C. C. Cottle, state regent, on her return from the convention at Washington.

Notify your reciprocity chairman, \$21-R, not later than Saturday noon, if you desire to attend.

One O'clock Luncheon

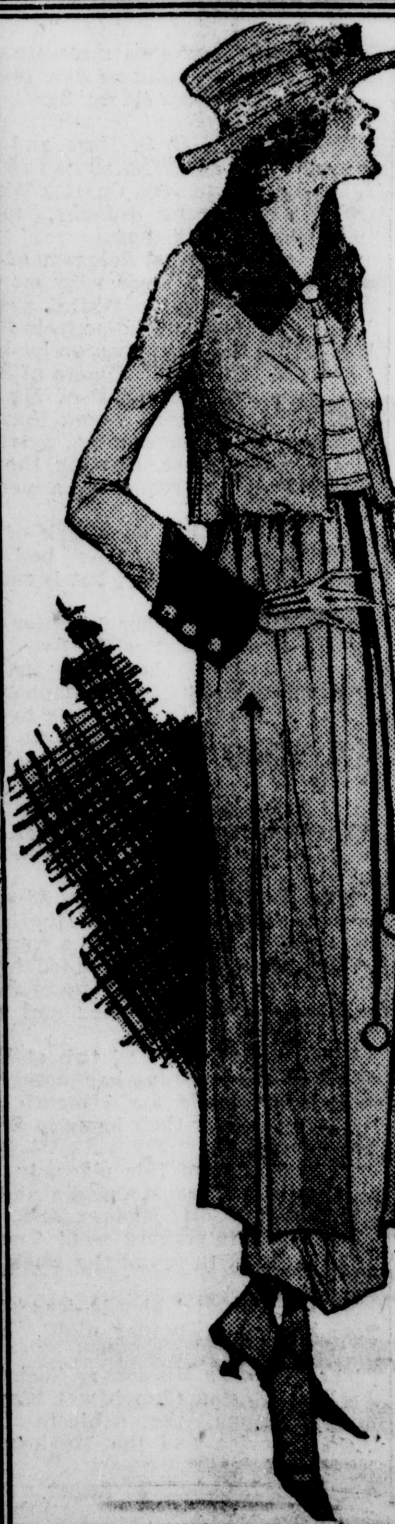

Mrs. Hugh Plumb of Tustin was hostess to a number of her friends yesterday at a one o'clock luncheon. The afternoon was pleasantly and informally passed with sewing; the guest list including Mrs. Barnes of Anaheim, Mrs. Cecil Du Bois, Mrs. Lester Carden, Mrs. Seave, Mrs. Roy Peterson, Mrs. Victor Hawk, Miss Marvel Baker and the hostess, Mrs. Plumb.

May-Time Party

A May Day party entertained the Busy Bee Club yesterday afternoon with Mrs. Clarence White as hostess.

Sweet peas and lilacs were used in the living room and jardiniere of Scotch Bloom in the dining room where there was also a miniature Maypole and a large birthday cake with sixteen candles, in honor of Mrs. White's birthday.

The afternoon was passed with fancy work and music. Mrs. George Greer gave several instrumental numbers, Mrs. Johnson and Mrs. Lindsay.

The Unique Makes a Special Three Day Offering of Dresses

This is such an important matter with every woman that we shall add but few words to the headline of this announcement. Every dress in this unusual three-day offer is a Taffeta, a Satin, a Georgette, a Crepe de Chine, a Jersey, or a Serge. Every garment is taken out of our regular new stock of high class dresses. (See our windows).

These special mark down prices will be in force for only three days—as below stated:

\$19.50 and \$22.50

Saturday, Monday and Tuesday Only.

CAKE

The kind everybody wants more of. The kind that stays moist, tender, tempting, as long as it lasts—when you use

CALUMET BAKING POWDER

"BEST BY TEST"

If you've not already been using Calumet, try it and you'll find a wonderful improvement in your cakes, a more satisfying goodness and finer texture than were ever possible with any other baking powder. A broad statement—but proven to be true whenever you use Calumet—it never fails.

Calumet is made in the world's largest, finest, most sanitary baking powder factory. Used by millions of housewives because it is economical and gives better and more satisfactory bakings.

CALUMET LAYER CAKE

- | | | |
|------------------------|--|--------------|
| 1 1/2 Level cups sugar | 1 Level teaspoon salt | Lemon flavor |
| 3/4 Cup shortening | 4 Level cups flour | |
| 5 Eggs separated | 4 Level teaspoons Calumet Baking Powder. | |
| 1 cup milk or water | | |

How to Make It: Cream one cup of sugar with the shortening until light, separate eggs and work in yolows. Beat the egg whites with balance of sugar to a stiff froth and add. Next stir in one cup of flour and then add milk. Last stir in balance of flour well sifted with baking powder. Bake in medium oven.

A "tested" Calumet recipe that insures excellent results. Cut out and paste in your recipe book for future reference

Do You Know This?

When you buy a pound of Calumet you get a full pound—16 oz. Some high priced baking powders are now being put on the market in 12 oz. cans instead of a pound. Be sure you are getting a pound when you want it. No short weights with Calumet.

LOCAL PASTOR IS SEEING SIGHTS IN GAY PAREE

Rev. Stevenson Meets Santa Ana Boys In French Capital

"All the problems of humanity were not solved by chasing the Huns across the Rhine," declares Rev. J. A. Stevenson in a letter to his brother, Rev. T. E. Stevenson, here, written a few days after the one published in the Register yesterday.

Rev. Stevenson didn't get to go to Coblenz, at least he had not received orders to go to that place when he wrote on April 26. He speaks of a possibility of getting an assignment to Germany for an indefinite time, but indicates that he will not accept it, as he wants to be in a position to return home whenever conditions are such that he feels that he can quit the "Y" service there with a clear conscience.

He has met Dick Garstang and Carl Jackman in Paris. Here's his letter: Here I am in Paris, when I expected to be in Coblenz. All travel orders have been cancelled this week and I do not know how soon I will go. In this business a fellow gets in a machine and when it goes he goes and when it stops he stops. I can tell some of the reasons when I get home. In the meantime I am seeing some things in Paris that are worth while. Such as the Venus de Milo. I am not an osteopath, but with all due respect to the lady, she looks to me as if she has curvature of the spine; the Mona Lisa, Winged Victory, and some very well preserved Egyptian gentlemen.

I went on a trip given by the "Y" yesterday. The "Y" has chartered a boat to make a daily trip on the Marne and Seine. It carries 250 people. There is a guide to tell all he knows. This trip, as well as many others, such as that over the scenes of Jean Val Jean, St. Cloud, Versailles, are absolutely free to any man in uniform who will ask for a ticket and then go.

I have visited some of the great theaters run by the "Y." There are six or seven I know of in the city, and they are all well filled. All are free to any uniformed man who wants to take them in.

The "Y" runs many cafeterias where the men can get eats at about half what they would pay in a French restaurant. Many educational lectures are being given and hotels run where the boys can get rooms at reasonable rates.

One counter at Is-Sur-Tille served 3000 dozen eggs during the month of March. I give you this little look-in that you may know something of what the "Y" is doing in spite of all the propaganda against it.

I have been definitely asked to stay at least till the first of July. Have also been told that I can have a job in Germany if I want it. I do not think I do, and so will stay on the road so that the way will be open to quit almost any time that it appears that I can do so with a clear conscience.

I had Dick Garstang out for lunch the other day. Dick is a fine fellow and it was good to meet him. Just gave him a bale of Registers and now he is posted on Santa Ana affairs.

Just met Carl Jackman. He has his discharge from the army and is now with the "Y."

Peace conferences are pretty lively affairs here, but I hope that it will go through without a riot. All the problems of humanity were not solved by chasing the Hun back across the Rhine.

WESTMINSTER NOTES

WESTMINSTER, May 16.—Miss Bertha Dickey gave an interesting report Sunday morning of the Sunday school convention held in Santa Ana the week before.

Mr. and Mrs. O. C. Hare and children and Mr. and Mrs. Orvil Day and children, Mr. and Mrs. Charles Walton motored to Laguna, Sunday, taking their lunches with them.

Mr. and Mrs. Abel Solomon of Bell made a short call Wednesday morning on Mrs. Orel Hare, while passing through on their way home from Santa Ana, where they had been on business.

Mr. and Mrs. Frank Rogers of Santa Ana were guests Sunday of Mr. and Mrs. W. J. Edwards, whom they are planning to accompany on a trip to Visalia and Tulare, starting the last of this week and remaining a week or ten days.

Charles Parr had an attack of grip and was confined to his bed from Wednesday till Sunday, but is improving.

Mrs. Bonham and her daughter, Mrs. Robert McClintock, who live near Artesia, spent Friday with Mr. and Mrs. E. C. Phelps. Mrs. Bonham recently returned from a visit to relatives in the northern part of the state.

Dr. Letitia M. Richards and her friend of Pasadena, Mrs. Johnson spent Saturday at the ranch here. The latter invented and built the first mammoth incubator and is the author of a number of books on poultry.

Mrs. Mattie Wilson and children returned Saturday from Huntington Park, where she had spent a couple of weeks. She was accompanied by her mother and sister, Mrs. George Abbott and Mrs. Georgia Holmes and baby, who returned next day.

Mrs. A. B. Crane and two children, who had been visiting her mother and numerous friends for a month past, left Saturday for their home in Suisun City.

R. E. Larter of this place, in company with George McCrindle and the families of C. H. Maddux and Fred Mallet of Wintersburg went Tuesday to Mill-Creek to spend the week fishing.

Arthur Roberts' bicycle was stolen from his home Tuesday night. Some chickens were also missing.

The Woman's Missionary Society of the Presbyterian Church met Wednesday afternoon, the subjects being Latin America and the Mexicans in the United States.

Mrs. F. J. Grandy's father, J. J.

Booth, has been suffering from a numbness of the limbs this week, caused, the physician says, by a clot of blood on a nerve, induced by over-exertion. It is thought this condition will be improved in a few days.

Mrs. George Wright and Mrs. E. A. Hare left Saturday for San Francisco to spend the week at the Rebekah Assembly.

L. E. Rich and family visited their daughters, Mrs. Roy Juden and Mrs. Edward Wertz, in Long Beach Sunday afternoon.

The Ladies' Aid of the Methodist church held their monthly all-day meeting Thursday at the home of Mrs. H. Frost, with a good attendance. A quilt was tacked for Mrs. Kerfoot and a splendid dinner enjoyed at noon. Mrs. Stanley Coates of Long Beach was in attendance and Mr. Coates took dinner with the party.

Arthur Kerfoot spent Sunday with relatives in Long Beach, Mrs. Kerfoot meeting him there from Los Angeles.

Andrew Mefford and George Vaughn started early Monday morning for Coalinga, taking with them Mrs. Fleming and six children of Huntington Beach, who are moving up there to be with Mr. Fleming, who has been employed in the oil business for some time. Their goods were shipped two weeks ago. They had been delayed moving by not being able to find a house.

Mrs. J. F. Patterson is spending the week with relatives in Los Angeles.

Good Things to Eat

This is the market to buy meats which are different from the ordinary stock you find everywhere. We carry at all times the special cuts that give variety to your dinners. So we call this the "Market of good things to eat."

Our meats are inspected before you get them, which means safety. We guarantee to please you, or we will return your money. We appeal to the people who want the best meats at moderate prices—and we deliver free. Mr. Carey is at the market again, after a month away, with new prices and best quality.

Do you want something which will make a real hit with your family this week? Try one of these Central delicacies.

- Larded Fillet of Veal
- Crown Roast
- English Mutton Chops
- Mock Duck
- Central Special Steak
- Pork Tenderloins
- Grain-fed Rabbits
- Smoked Meats
- Best Sausage.

Corner Third and Spurgeon

REPORT BOLSHEVISTS FLEEING PETROGRAD

COPENHAGEN, May 16. (nited Press.)—The National Tidende reported today it had learned from a reliable source that the Finnish army under Gen. Manderheim had arrived at Njostrow, only a few miles from Petrograd. The Bolsheviks were reported to be fleeing from Petrograd to Moscow.

Dr. Carter's K. & B. Tea Makes Finest Home-made Laxative Syrup

Easily Prepared—Two Pints Cost Almost Nothing But Is Prompt, Sure and Effective.

—Ready-made laxative syrups for children are costly. By making this at home you not only save practically \$1.50, but you will have a much more prompt and effective preparation. Simply obtain from any drug store a package of Dr. Carter's K. & B. Tea. Put contents in a bowl. Add 1-2 pints of boiling water, cover and allow to stand for 2 hours. Strain, add 1 pound of sugar and stir until dissolved. Flavor either with essence of peppermint or wintergreen according to taste. Dose for adults, 1 tablespoonful each night or night and morning until a regular movement of the bowels is effected. For children, 1 teaspoonful more or less according to age. For a real springtime tonic and blood purifier, 1 teaspoonful every night or every other night for at least three weeks.

Cut this recipe out and paste it on the bottle.

Sam Hill Says:

"I Can Increase the Purchasing Power of Every Dollar Spent for Groceries In Orange County!"

In these days of soaring prices, the above statement is worthy of serious thought in every thrifty household. 'Twas only a few years ago when Sam Hill openen his first grocery—and he had the wonderful business foresight to open that store on a strictly CASH basis.

People were quick to realize that by trading at a strictly cash store they were not forced to pay high prices to balance the grocer's losses caused by the bad accounts that are the curse of every grocery selling on credit. Honest people have to pay high prices to the credit grocer to square him for what he loses through dishonest customers.

Sam Hill's overwhelming success with the **STRICTLY CASH** system soon forced him to open more stores---until now Sam Hill Stores number eight---all modern, up-to-date stores, each under capable and conscientious management.

Everybody knows that the man who buys in large quantities for EIGHT stores can BUY CHEAPER and consequently SELL CHEAPER than the little fellow with only ONE store. The big buyer buys DIRECT in many cases—right from the manufacturer—when the "one-store man" is forced to buy through a jobber. By buying DIRECT—for the huge output of EIGHT stores, SAM HILL eliminates the jobbers' profit, and the saving is passed along to the patrons of all his stores.

Good business judgment and unbiased investigation will convince any man or women that Sam Hill's prices can not be met by the "One-Store Man" without a sacrifice of Quality that must soon become apparent to every careful buyer. Patrons of the Sam Hill Stores have grown into the thousands simply because they get MORE FOR THEIR MONEY, coupled with the best store service obtainable, and the knowledge that every sale made is backed with a SATISFACTION GUARANTEE. If you're not trading at a Sam Hill store, START TODAY—then note the quality—the price—and the SAVING on a week's grocery bill, which will easily be 20 per cent.

Taylor's Cash Store

Announcement

On and after Monday, May 19th, 1919, it will be necessary for us to make a small advance in the price of our coffee.

We have fought this advance for months and in doing so we have saved the consumers a lot of money on their coffee bill. However, green coffee has steadily advanced until now the good grades cost when roasted more than 30c per pound.

Our small expense and ability to handle coffee direct from Importer to Consumer without middlemen, tin can solicitors, or delivery, enables us still to sell you

A genuine good Coffee for - - 35c
And the very best kind for - - - 40c

One pound of GOOD COFFEE makes forty or more dinner cups of coffee. At our prices this is less than one cent per cup. After all our coffee is still low price and the kind that you want again. Our guarantee is back of every pound we sell. Get the best for the least money. You will find that we always save the consumer money.

COURTHOUSE NEWS

WOULD PREVENT BUILDING UPON CLIFFS FRONT

Through an action brought today, Mrs. Frank E. Phillips seeks an order of court to compel the Laguna Cliffs Company to dedicate frontage on Laguna Cliffs to public use for park purposes.

Mrs. Phillips bought a lot in block 13, Laguna Cliffs. She alleges in a complaint filed by Attorney J. A. Harvey that in making the sale to her agents of the company stated that the lot between the Pacific ocean and Cliff drive would not be sold for building purposes but would be dedicated to the public for a park. She says that she is now informed that the company proposes to sell the lots. She says that buildings upon them would obstruct the view of the ocean from her property.

SILVESTINI TO PAY FINES, LOSES BOOZE BUT SAVES BARRELS

Joe Silvestini, an Italian, today pleaded guilty to selling liquor at Los Alamitos. Justice Cox sentenced him to pay \$200 in fines, and Silvestini promised to have the money this afternoon. When the man was arrested two barrels of claret were taken in charge by the deputy sheriff. Silvestini asked that the wine be returned to him. Cox declined to consent, and the wine is to be spilled into the sewer. Silvestini pleaded for the barrels. He said he could make good use of them without using them to hold booze. He was told that he could have the barrels.

DECREE OF ANNULMENT GIVEN ANAHEIM GIRL

This morning Judge Williams granted a decree of annulment to Elma Fern Ramella of Anaheim against E. I. Dodson. Dodson is now serving a term in San Quentin for having married the Anaheim girl while he had a wife living and undivorced.

SENT TO REFORMATORY

Joe Mercado was committed to the state school at Whittier by Judge Williams. Mercado admitted having given worthless checks to George Post and to a second hand store here.

Father Dead Here, Hun Soldier Son Dies In Germany

How the German militaristic system has resulted in the death, indirectly, of Matthew Schiffer, aged 68, of Bolsa, and directly in the death of his oldest son, Theodore, has just been revealed.

Theodore was just leaving Germany to join his family in America when the war broke out in 1914 and he was forced into the Kaiser's army, where he served throughout the war. Only once during the war did the Schiffers receive word from their son, which came to them by way of South America, stating that he had been wounded several times but was then in good health.

Still the months dragged on and no further word was received until last Saturday, when Matthew Schiffer received a letter from Theodore, which was written more than a year ago, in February, 1918. Saturday evening Matthew Schiffer died suddenly of heart failure, and Monday he was buried.

Wednesday, word came to the already bereaved family that Theodore had died in Germany a month ago from wounds and exposure suffered while a soldier in the German army.

ONE CURIOUS EFFECT OF THE WAR

Among many other things resulting from the war, the American people have learned to wait upon themselves. We kept a perfect army of people at our command to wait upon us, and to do the unnecessary things that we could easily do ourselves. When these people had to go into a real army, or into essential work, some millions of Americans were confronted with the necessity of performing these services for themselves.

One of the results of this has been the sudden and astonishing spread of what are known as "self-serve stores." The idea had gained some headway before the war. But when the Government and essential industries took thousands of clerks away from the regular stores, the "self-serve" idea spread so rapidly all over the country that there are now thousands of them in successful operation throughout the United States.

Unless you have been behind the scenes in a retail store, you do not realize what a big item of expense, what is known as "store service" has become. It adds to the cost of practically every thing we buy.

With the doing away of a large part of this so-called "store service," the merchant is enabled to operate on a narrow margin or profit, and can consequently quote prices considerably lower than the merchant doing business according to the old plan of expensive "store service," and consequently longer profits.

Customers like the new plan for two reasons: In the first place, goods can be sold cheaper, because the expense of running the business has been greatly reduced under the new system. And in the second place, the shoes or other merchandise is neatly arranged on display so that it can be seen and inspected. In the case of shoes, the customer may try them on at his own pleasure or have them fitted by an experienced attendant.

Many shoe stores and shoe departments throughout the east are operated upon this plan, and the west is not far behind in the number of stores selling merchandise in this new and successful method. The Kafateria Shoe Stores at Long Beach, Pasadena, Anaheim, and at 209 West Fourth St., Santa Ana, are stores operated on the "self-serve" plan.

The success of these stores is a tribute to this new system of merchandising and the people are beginning to realize just what it costs them to do business the old way, and the large amount of their shoe money, that can be saved by buying their shoes the "Kafateria Way."

TAXES TO BE ISSUE IN 1920 CAMPAIGN

WASHINGTON, May 16.—Taxes, say many congressmen in Washington, will be the big issue of the 1920 campaign.

This is one reason for the great interest being displayed in congressional circles in the efforts of senate progressives to prevent Senators Penrose and Warren from heading the finance and appropriations committees respectively. The finance committee stipulates the taxes for the people, the appropriations committee spends them.

OSTERHAUS TO COMMAND

VALLERJO, Cal., May 16.—Captain E. W. Osterhaus has been designated to become commandant of the Mare island naval training school, succeeding Captain Marcus Miller in command during the war. The change is scheduled for June 15.

Mineral salts play an important part in tissue building

They're found in abundance in the delicious wheat and barley food

Grape-Nuts

For Clare Lights Sister of London Is Arrested Here

Under escort of Department Commander Roberts, Post Commander Maryatt and a dozen other men, together with several women, of high rank in the G. A. R. conventions now here, Mrs. Eliza Shepard of Glen Ellen, sister of Jack London, went before Justice Cox this morning and escaped a fine.

Mrs. Shepard is attending the encampment gatherings. She came by automobile, and last night was driving around the city when Motorcycle Officer Ballard arrested her because the lights of her automobile were not deflected to comply with the state law.

Mrs. Shepard explained her situation to some of the G. A. R. officials. They all got together this morning and made an attack upon Justice Cox. Cox threw up his hands and surrendered. He saw he was among friends, for he is a G. A. R. member himself. When Mrs. Shepard showed the judge that she some time ago went to a garage and had had her lights adjusted to comply with the law and that she had every reason to believe she was safe, Cox dismissed the case.

WM. OLIVER, INSANE, AT LARGE IN HILLS

William Oliver, escaped from the insane asylum at Norwalk, is somewhere in the foothills near San Juan Capistrano, and efforts to find him have so far failed. Since Oliver becomes violent at times, officers are especially anxious to capture him. From the McKean ranch he stole enough food to last him for a week.

COURTHOUSE NOTES

Today Arthur Eells is again a deputy sheriff and is assistant jailer, which position he left in September, 1917, when he went to war.

Suit to foreclose a \$2500 mortgage on property in the Berry tract has been brought by Carrie A. Rumsey against A. J. Senger. G. H. Scott is attorney for the plaintiff.

A petition for the dissolution of the Borchard Land Co. corporation has been filed, Head & Rutan being attorneys for the petitioner.

A charge of perjury has been brought against Antonio Hernandez in that in getting a marriage license to marry Telesfora Santos he swore that she was 19 years of age when she was only 13.

TAKES THE JEWELRY

When testimony showed that Albert F. Nannam, a Syrian, has been ill and unable to earn any money, Judge Williams did the best that could be done for Mrs. Esther M. Nannam, an Anaheim woman who married Nannam. He ordered all of Nannam's property, including a stock of cheap jewelry worth about \$250, turned over to Mrs. Nannam, who was asking for an order for alimony.

TREE PLANTING IS SUBJECT OF COURT TRIAL

The quality of orange trees planted on the Brentlinger ranch a mile northwest of Garden Grove is in question in a case that has been on trial before Justice Cox. T. L. Frankie is the plaintiff. He is asking judgment of \$193.75 alleged to be due for trees planted by him for Elzadie B. Brentlinger.

The defense put on witnesses to prove that the trees planted were not the ones bought. It was declared that the trees were not uniform in size, and that some of them were planted without being balled, and that the rows were not in straight lines.

Justice Cox continued the case so that he may have an opportunity this afternoon to go to the ranch and look the trees over. J. A. Harvey is attorney for the plaintiff and H. C. Head is attorney for the defendant.

COVINA, May 16.—Grieving over the illness of his wife, James P. Forrester, aged 70, of East Center street, fired a bullet through his brain.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain

How To Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismarck Magnesia (in powder or tablet form—never liquid or milk—is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

SANTA ANA, CALIFORNIA, FRIDAY, MAY 16, 1919.

METHODISTS RAISE \$40,000 IN DRIVE

CHURCHES PLAN QUICK END TO CENTENARY CAMPAIGN

Supper Will Be Held Tonight Where Final Arrangements Will Be Made

With \$40,000 of its quota of \$45,000 pledged, the First Methodist church of Santa Ana is nearing the end of its Centenary drive. Tonight the Richmond avenue church is to hold its Centenary supper, and commencing next Sunday that church will begin its canvass for raising its quota of \$2,300.

Committees of the First Methodist church have been working all week in their canvass. There are approximately 100 families still to be visited in the canvass. Rev. John Oliver, pastor of the church, said that there is no question but what the remainder, \$5,000, will soon be raised, and he is looking and hoping for an over-subscription.

Rev. E. M. Sutton, pastor of the Richmond avenue church, has made plans for raising the quota of his church next week. Tonight's gathering at a Centenary supper will be preliminary to the drive and will be for the purpose of making final arrangements. Rev. Oliver is to be the principal speaker at tonight's meeting.

Methodist churches all over Orange county are expected to raise their quotas, and even to do more than expected of them. The Methodist Episcopal church has set out to raise \$102,000,000 in the United States, carrying forward a world-wide Christian work. Careful preparations for raising the money have been made. Everywhere, Methodists have been fully informed of the plans, and because the cause is of such consequence there seems to be no difficulty in securing subscriptions. The money is to be paid in five annual payments.

Picture Posed by Young Unknown Girl, Declared Masterpiece by Critics

"The Dancer" Artists Assert Is One of Best Works of the Century

LONDON, May 16.—A recent photograph that London artists are raving over is known as "The Dancer" and is declared to be one of the most artistic illustrations of the century. It has been published broadcast in England and elsewhere and has caused much comment in art circles wherever it has appeared.

It was posed by a young girl unknown in the art world who is a member of a troupe of Miss Marion Morgan's dancers. The picture when first taken was merely photographed as an extra good art subject and was not intended for a masterpiece as it has been pronounced by leading British critics.

"The Dancer"

IN RED SPIDER SPRAYING DOSE SHOULDN'T BE TOO HEAVY

The Kill May Be Worse Than the Bite Unless Work Is Done Right

A good many orchardists who have found red spider in their citrus groves are a bit worried right now for the reason that they fear that spraying will do more harm to the fruit than the spider will do if he is left to propagate and do his worst.

The kill may be worse than the bite. And it will be unless reasonable care is used in spraying the trees.

"There is more red spider right now than is usual," said E. L. Morris, horticultural commissioner for Orange county. "Still, but little damage has been done by the pest so far. A good many of the orchardists are spraying, and are having good luck with it. The advice given in the Farm Section of the Register about ten days ago was

(Continued on page thirteen)

PLAN DRIVE FOR SIGNERS ON CEMETERY PETITION

Movement to Create District Will Be Pushed In the Immediate Future

Petitions in circulation in the county districts for the creation of a cemetery district to take care of the old Santa Ana cemetery and other cemeteries within the proposed district are being signed up readily. It is possible that a drive for signatures will have to be made in Santa Ana and Orange to get the required number. The petition is directed to the Board of Supervisors and with petitions representing a majority of the voters in the district, the board has no alternative but to organize the district.

With water turned off in the old Santa Ana cemetery the conditions there are becoming worse day by day.

(Continued on page thirteen)

County Reception For Service Men Will Be Planned at Anaheim

ANAHEIM has taken the initiative in a county-wide welcome to the Orange county men who went into the service. Admission Day, September 9, has been suggested as the date and Orange County Park as the place. An invitation will be sent to the Board of Supervisors, Boards of City Trustees, Chambers of Commerce, G. A. R., V. V. R., C. S. of V., Red Cross Chapters and other organizations to send representatives to a meeting at the Anaheim Board of Trade rooms to be held on Friday, May 30. Gov. Stephens will be invited to deliver an address. Committees will be appointed to work out the details of the day's exercises in honor of the returned boys. The celebration will afford all of Orange county an opportunity to show appreciation and indicate to the men the esteem in which they are held. This will be the first attempt to organize a county-wide movement for extending the boys a welcome home and it is expected that when committees are appointed at the May 30 meeting plans will be developed for one of the largest and most interesting "family" gatherings ever held in the county.

\$2,800 DRAWING INTEREST FOR CONSTRUCTION OF BUILDING

Elks Turn Over \$5500 to State Committee of Salvation Army

A decision was reached yesterday afternoon at a conference here by which the Santa Ana Elks became the custodian of the Salvation Army Building Fund for Orange county. The Elks have deposited \$2800 at interest in a Santa Ana bank, and will hold the fund until enough money is added to it by whatever means may develop to make a fund large enough for the purchase of a lot and the construction of a Salvation Army building. In the recent Salvation Army drive, the Elks' lodges of Santa Ana and Anaheim were in charge of the drive in Orange county. They agreed to raise \$5500, which would cover the county's proportion of the state Salvation Army budget and the county

(Continued on page thirteen)

MANY GOING TO BALBOA TOMORROW

Balboa is going to be a big place tomorrow, when large delegations will be there to help celebrate Orange County Day as guests of the Balboa Carnival Association and the Newport Harbor Yacht Club. Many Santa Ana people are planning to go to enjoy the many features which have been provided. There will be free luncheon free boat rides about the harbor, dancing, music, and many other kinds of entertainment. Every resident of Orange county is invited to the beach town to make the affair a success.

RELIGIOUS SERVICES ON MEMORIAL DAY

The Church Federation of Los Angeles has issued the following suggestion to the churches: "The Church Federation desires to suggest to pastors that Memorial Day be observed with special religious services, as last year, and that it be made a day of reverence in fitting memory of those who are gone and especially those who have made the supreme sacrifice for their country." The request is signed by W. S. Dwyer, president, and Charles A. Baskerville, secretary.

COUSIN PAYING FIRST VISIT IN 36 YEARS

WESTMINSTER, May 16.—James A. McFadden is enjoying a visit from his cousin, George McFadden, who arrived Sunday from Roswell, New Mexico, whom he had not seen since he left here thirty-six years ago. The latter lived here with his parents, Mr. and Mrs. David McFadden and sister, Miss Ola McFadden, for about two years, when the family left for Oregon in 1883, going by team in company with A. M. Byram, father of O. B. Byram. Later they went to Kansas City, Mo., and from there to Roswell, N. M., where Mr. McFadden now resides with his family. He sees only a few familiar faces, of those he knew here thirty-six years ago.

WOODMEN WILL HOLD THEIR HOBO SOCIAL

WASTONVILLE, Cal., May 16.—Keep an eye on the hen roost, but don't be afraid if you see a ragged, bedraggled and bewhiskered number of men tight.

The Woodmen of the World will hold their hobo social by moonlight in the jungles on the Pajaro river this evening and members are all prepared with several weeks' collection of rags, hats and beer for the event. Members from Santa Cruz, Hollister, Salinas, Gilroy, Salinas, Monterey and other points will participate in the grassy air assembly.

INJURED WHEN BUS WENT INTO A DITCH

ANAHEIM, May 16.—Mrs. R. E. Wilson and her husband, Mr. C. C. Wilson, were injured Wednesday afternoon in an automobile accident near La Habra when the A. R. G. S. in which they were going to Los Angeles, went into the ditch when the driver attempted to avoid a collision with another machine. Mrs. Wilson was thrown from the bus and sustained serious bruises about the head and a badly strained back. Mr. Wilson was cut about the arm and body. The accident occurred when the bus started to go around another machine near a crossing of the other machine intended to go straight ahead. Instead the machine turned at the crossing, the driver not giving the bus signal until the crossing was ahead. The bus crashed into the ditch, pushing it a considerable distance and then went into the ditch.

OIL BOOM CROWDING SCHOOL USE OFF LOT

FULLERTON, May 16.—The school house at Richfield is being crowded off of its lots by the oil boom, and County Superintendent R. P. Mitchell is assisting the teachers of the Placentia-Richfield school district in their efforts to find a location. The older child of the Richfield district have been taken daily to school at Placentia one-room building has been used by the smaller children. That bus is located on some lots secured under a five-year lease. That lease is the lots are in the patch of the tornado, and if they are leased at low it will be for oil drilling.

"The trustees hope to buy a site," said Mitchell yesterday, "but in doing so they may have to give up all rights to oil." When the trustees find out what they can do, plans for a new building will be taken. There must either be a larger building or another school for while oil has been squeezing school off of its lots it has also been bringing in families among whom plenty of children.

MILLION RAISE YEARLY FOR L. A. TEACHERS

LOS ANGELES, May 16.—Teachers in the public schools were yesterday granted a wage increase amounting to approximately \$1,000,000 per year. The Board of Education unanimously adopted the report and recommendation of its Finance committee, which acted upon the recent request of the teachers for an annual increase of \$200 a year for day teachers and \$150 per year for night teachers.

The wage increase, which is to become effective July 1, will increase the school taxes 19 cents on the \$100, according to F. E. Woodley, chairman of the Finance committee of the Board of County Supervisors. The school tax rate last year was \$1.06 on the \$100, and it now goes up to \$1.25, Chairman Woodley states.

He expresses the belief that the supervisors will adopt the school budget this year. "I don't know that the system of apportioning the increase is just right," was his comment last night, "but it was a matter that we had to leave to the school board's Finance committee, and I believe the committee has acted wisely."

In some instances the scale of wages drops below the flat \$300 raise requested by the teachers, but in other instances it rises well above it, having been adjusted on what the committee deemed an equitable basis, and it is said that the solution of the salary problem is satisfactory to a majority of the instructors. The Teachers' Association planned to hold a meeting last night for the purpose of ratifying the report of the Finance committee. The increases range from \$120 to \$270 and \$320 per year, the vice principals getting the greatest increase in pay.

CENTRAL CALIFORNIA BOOMING—H. LEIPSIC

Harry Leipsic, proprietor of Leipsic's Department Store, returned yesterday from a flying visit to his sisters, one living in Oakland and one in Sacramento.

Mr. Leipsic reports the Sacramento valley and the capital city almost on a boom.

The agricultural development in the valley," said Mr. Leipsic, "is marvelous. They are cutting up and selling off the big ranches, are farming scientifically, and population is growing by leaps and bounds. In Sacramento the merchants are doing big business; everybody has money; and real estate and building are booming."

Eat Taylor's Ice Cream. It's pure.

Listen Ladies!

It's a pretty hard thing for the men folks to expect you to keep a table laden down with luscious eats to satisfy them when you have to carry them home on your arm until you're nearly dead when you get there, to say nothing about how many times you let packages fall. Now isn't it?

If you, personally, Mrs. Housekeeper, step into our store Saturday and buy an armful of bundles amounting to \$2.50, not including sugar, we will give you a nice Carry-All Bag to save you all this trouble.

Golden State Butter, per lb. 63c

Golden Age Spaghetti, Noodles. 5c

Pure Rolled Oats, 3 lbs. 18c

10-lb. Sack Corn Meal 55c

Ben Hur Soap, 10 bars 55c

Saniflush 20c

It's quite easy for us as it is for others to put a long string of specials in the paper but after all it's the prices on things on the shelf that count. There's where we shine. Seeing is believing.

SANTA ANA HIGH TO CLASH WITH SAN DIEGO

Hard Fought Game In Series
For Championship Is
Expected Tomorrow

Tomorrow the high school baseball nine meets the San Diego team in what promises to be one of the closest and hardest fought ball battles the local bunch has ever had. This will be the first of three games to be played by these schools for the championship of the Orange League. The school winning two out of the three games will probably play Pasadena, which school is walking away with things in the city league.

Coach Smith has been working his gang easy these last few days and they are in the best of condition to stage a good exhibition of real baseball. Callahan will be delivering the fast ones for the inmates of the "Grey Castle" to bite at, and with good backing San Diego's score should not amount to a great deal.

The home slickers have been getting some good batting practice and should keep the enemy outfield continually on the go. The visiting team's heavier pitched a no-hit, no-run game against Pomona last Saturday, but it is a safe bet that the performance will not be repeated here. Poly's defenders have a good batting average so far this season, and should show the San Diegos a few pointers in connection with the sphere.

A total of thirteen games have been played by Santa Ana this year, of which nine have been won and four lost. The runs tallied amount to 113 against 65 for the opponents. Tickets for the game have been selling well and a good big crowd of fans will be on hand to witness the fracas. San Diego arrived here this evening and will grace the city with their presence until some time Sunday.

The S. A. H. S. line-up for the game follows: H. Finley, ss; Raney, cf; Hilliard, 3b; Tyrrell, c; Callahan, p; Perkins, 2b; Brown, rf; Smith, 1b; Westgate, lf; Salters and J. Finley, subs.

DEMPSEY AND KEARNS SEEK TRAINING PLACE

TOLEDO, Ohio, May 16.—Jack Dempsey, challenger for the world's heavyweight championship, his manager, Jack Kearns, and two friends, unexpectedly arrived here last night.

This morning the challenger and his manager motored down the Maumee Bay shore, where they will select training quarters. Just as soon as a place is picked Jack will go to work. Ground was broken for the arena by Tex Rickard and Frank Flounoy late yesterday. The work is progressing rapidly.

KRAMER-THOMPSON BOUT
LOS ANGELES, May 16.—Sailor Kramer and George Thompson will fight the main event at tonight's Vernon four-round boxing show. Of almost equal interest, however, is the bout between Kid Mendo and Benny Kramer.

WILL BOX AT BENEFIT
SAN FRANCISCO, May 16.—Batting Ortego and "K. O." Kravsky, middleweights, were signed today to box the main event in the big American War Veterans' Association benefit June 6.

U. S. C. TRACK CAPTAIN
LOS ANGELES, May 16.—Gwynn M. Wilson, quarter-miler, has been elected captain of the 1920 track team for the University of Southern California.

'Round Coast League Bases

Home runs: Smith, Sheely, Salt Lake; Harper, Seattle; Chadbourne, Vernon.

Young man Perica stopped the Angels' losing streak, keeping the Oaks' hits well scattered. The Scraps won, 4 to 1.

Although Chadbourne came across with a home run, the Tigers lost to the clambering Seals, 8 to 5.

Loose fielding featured the Sacramento-Portland game, which the Beavers took, 5 to 1.

Dale, Salt Lake's new twirler, made his debut by being knocked out of the box. The Rainiers took the Bees into camp, 8 to 7.

EASTERN BOY TO BOX

SAN FRANCISCO, May 16.—Johnny Roy of Pittsburg, lightweight, meets Ray Pinkman of Seattle tonight in the former's first western bout. Young Frances of Los Angeles will also make his initial appearance here, meeting Tommy Hayes.

DEAF MUTE LOSES HIS FINGERS IN ACCIDENT

WESTMINSTER, May 16.—Mrs. Phil McIntock received a letter from her mother in Washington, telling of the serious accident suffered by Mrs. McIntock's brother-in-law, Abe Himelshine, who was employed in a saw-mill. In some way his glove was caught in a saw, drawing his right hand in and all the fingers were cut off. It is thought the company was responsible for not having the proper guards against accident. Mr. Himelshine is a deaf mute and speaks the sign language, in which both hands are used and he will be obliged to learn to write with the left hand. He, with his wife, also a deaf mute, visited here occasionally when they lived in Los Angeles.

JACK DEMPSEY IS LIKEABLE CHAP WHO DRESSES WELL AND IS PARTIAL TO PLAYING FOOTBALL

JACK DEMPSEY

Youth Who Will Meet Jess Willard, July 4 Has Good Taste

TOLEDO, O., May 16.—To meet Jack Dempsey is to like him. He has a personality. He is not highly educated; nor has he a polish acquired in elite circles. Neither is he a rough-neck.

This lad who will fight Jess Willard July 4 would attract attention anywhere on the street, but strangers wouldn't know whether he was a football star, a baseball player, a young business man or a fighter. He dresses well and his clothes look good on him. But they aren't flashy. They may be snappy, but not flashy. Jack is a man of good taste.

Before Jack got into the boxing game he was football crazy. He'd rather play football today than to fight, but there's no money in football and there is in the fight game.

HOD ELLER AGAIN ADDS ANOTHER GAME

BY H. C. HAMILTON
(United Press Staff Correspondent)
NEW YORK, May 16.—Hod Eller is a gent of attainments. His victory over Ay Hamaux yesterday in the Brooklyn home enclosure only goes to prove the truth of this statement.

Eller is the heavier who stood the Cubs on their heads for a spell, May 5, and then exploded with smoke exuding from every pore in the ninth inning. Six runs crossed the plate that day and the Bruins tied the score, only to win out in a few minutes.

Last Sunday Eller pitched a no-hit, no-run matinee against the Cardinals. He tackled the Dodgers yesterday with all his skill protruding, with the result that he got sweet revenge for the Cub massacre. In the 13th inning of this encounter Al Mammaux went through a barrage of basebats and when the ghastly thing was over, Al's side had been walloped 10 to 0. The ten runs all arrived in the thirteenth inning and were the result of hits malar, with a few boots thrown in.

The Cubs fidgeted again at the Polo Grounds. The Giants are now certain to run away with the long end of this series, for only one game remains to be played. Cincinnati can make it an even affair by winning today.

Victory Liberty Loan Payments

The Victory Liberty Loan notes will be dated and bear interest from May 20th, 1919. Subscribers who have not made payments in full have until that date to complete payment without additional interest charged. Payments made after May 20th will be as follows:

10 per cent. on July 15,
20 per cent. on August 12,
20 per cent. on September 9,
20 per cent. on October 7, and
20 per cent. on November 11, 1919, with accrued interest from May 20, 1919, on the five deferred installments.

MAN SAVES WIFE IN NICK OF TIME

"My wife was unable to eat even the lightest food, and had fallen away to a living skeleton. She could not even keep doctor's medicine on her stomach and was tortured with pain. On the recommendation of a friend I bought a bottle of Mayr's Wonderful Remedy and she is all right now and has gained forty pounds." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

Watching the Scoreboard

Yesterday's Hero: Al Mammaux. He didn't turn a whisker while that heavy Red bombardment was on.

Babe Adams was reminiscent yesterday and shut out the Phillies for the Pirates, 5 to 0.

The Browns haven't learned yet where their place is. They shut out the Athletics by a 2 to 0 score.

The twelfth inning saw the downfall of the White Sox with their hated red-hosed rivals taking the contest, 6 to 5.

The Yankees were presented with a remembrance by the Tigers in the final inning, a run winning the game being the gift.

The Cubs didn't get anything but petting in New York. They lost their third straight to the Giants, 6 to 2.

The Senators played dead for Cleveland, the latter winning, 6 to 3.

Taylor's Ice Cream is pure. Made in a clean and sanitary factory.

Counterfeiter Caught! The New York health authorities had a Brooklyn manufacturer sentenced to the penitentiary for selling throughout the United States millions of "Taleum powder" tablets as Aspirin Tablets.

Beware! Counterfeits!

Don't buy Aspirin in a pill box! Get Bayer package!

Always say, "Give me a package of 'Bayer Tablets of Aspirin.'" Insist you want only the Bayer package with the "Bayer Cross" on the package and on the tablets.

Bayer-Tablets of Aspirin

The genuine American owned "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Toothache, Earache, Rheumatism, Lumbago, Colds, Grippe, Influenza Colds, Joint Pains, Neuritis. Proper dosage on every "Bayer" package.

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

News from Orange County Towns

SIX MEMBERS ADDED TO BALBOA CHAMBER

NEWPORT BEACH, Cal., May 16.—At the meeting of the Balboa Chamber of Commerce held in their new headquarters in the Balboa Pavilion Wednesday evening, six new applications for membership were acted upon and the following elected to membership: C. Weeks, of Santa Cuba and Cinco fame; Hattie B. Gonsolus, realty dealer of East Newport; Israel Weiner, until recently in the employ of Uncle Sam as a fighter, but unofficially known as the Balboa "Kandy King;" F. D. Cornell, of the Balboa Palisades, and C. W. Thomas.

A communication was received from the Newport Harbor Yacht Club, asking that the Balboa Chamber of Commerce put up a cup for a prize, which would be raced for yearly, and after being won for three successive times would become the property of the winner. The matter was laid over until a subsequent meeting, but it is expected that favorable action will be taken by the organization.

The committee appointed on the Orange county harbor slogan, consisting of C. G. Alves and R. M. Durkee, awarded the \$10 cash prize to Myrtle Whitehead, of Santa Ana, the slogan being as follows: "Orange County, California's Eden, Newport Harbor is all she's needin'." This was the first slogan received by the committee and will be used on the chamber's stationery as well as in other appropriate ways. The secretary was instructed to mail a check to the winner.

J. P. Greeley announced that two submarine chasers would be in Newport harbor on Saturday, May 30th, and remain over the night so that everybody who wished could go see them. They will undoubtedly permit visitors to go aboard and inspect the boats, the sisters of which played so important a part in ridding the sea of the submarine pirates.

Everett A. White, one of the assistant cashiers of the California National Bank of Santa Ana, was present at the meeting and gave a splendid talk on Newport Harbor, and the voting of the bonds for further harbor improvement on June 10th. He stated that a good many of the people with whom he came in contact were in a receptive mood and were willing to be shown, but before voting for the bonds they wanted to know the facts and what immediate results would be received. He suggested that it might be possible to secure four-minute men for the various picture theatres, the managers of which might be induced to allow a short talk on the harbor.

A vote of thanks was extended to the speaker for his suggestions and advice by the members present.

Brushes! Mrs. Cheney, office, room 8, Reinhaus Bldg., cor. Bush and 4th. Residence, 607 East 5th. Phone 1265-W. mornings and evenings.

ORANGE WOMAN GUEST AT FAMILY REUNION

WESTMINSTER, May 16.—Mr. and Mrs. J. J. Stoves and Misses Opal Stoves and Leora Blakey, and J. Q. Johnson, of Orange, passed Friday in Los Angeles, visiting George Collins and family, cousins of Mrs. Stoves. They passed the Southern Pacific work shops immediately after the accident in which Albert Dietrich was seriously hurt.

Miss Stoves remained in Los Angeles till Monday when she went to Monterey to attend a family reunion at the home of her uncle, Lincoln Collins. At this reunion four generations were represented, in the sixteen persons present, and included Mrs. Rachel Collins, two daughters, three sons, three granddaughters, one grandson, one son-in-law, three daughters-in-law, one great-grandson and one great-granddaughter. Two grandsons, recently returned from France, could not be present, much to the regret of the company, on account of having obtained employment.

Miss Stoves returned Monday evening in company with her parents and Mrs. J. Q. Johnson of Orange, who came up for the day. Mr. Stoves and family contemplate going east in the near future.

BOYS GIVE PASTOR SURPRISE WELCOME

TUSTIN, May 16.—The Upstream Boy Scouts gave their leader, Rev. M. E. Ladieu, a royal welcome home last Friday night. They surprised him at his home and then went over to the church parlors and had a good time with games and amusing stunts. The self-invited guests brought with them toothsome refreshments, which were served and enjoyed. There were twelve boys in the party.

A comfortable, quiet place to eat your lunch—the Dragon. Menu changed daily.

MASSACHUSETTS NURSE Tells Women How to Get Strong

Greenfield, Mass.—"I am a nurse and the gripe left me in a weak, rundown condition with a cough—my friends asked me to try Vinol. I did so and it has built up my strength so that I am in perfect health at the present time and I am recommending Vinol to others."—Mrs. F. M. Locke.

There is no secret about Vinol. It owes its success in such cases to beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the oldest and most famous body building and strength creating tonics. We strongly recommend Vinol. Rowley Drug Co., and druggists everywhere.

P. S.—If you have Eczema try our Saxol Salve. We guarantee it.—Adv.

MRS. H. W. SMITH BURIED AT TUSTIN

TUSTIN, May 16.—Funeral services for Mrs. H. W. Smith were held Thursday morning at 10:30 at the Smith & Tutill chapel. Services were conducted by Rev. W. S. McDougall. Pallbearers were J. H. Brown, James Dort, G. W. Pollard, Frank Logan, Philip Ebel and C. E. Utt.

Singing by a quartet of girls of the Presbyterian choir was a feature of the services.

Mrs. Smith's death occurred Tuesday night, after a serious illness of only five days, although she had not been strong for some time on account of heart trouble.

Mr. and Mrs. Smith represented the head of a circle of Smith families in Tustin and lived here for eighteen years. Their two youngest sons are Roy I. and Charles, the older ones being Mr. Smith's sons by a former marriage. Mrs. Smith's eldest son, Paul Dakin, of Haywards, Calif., came down Thursday to attend the funeral.

Born, March 9, 1847, Mrs. Smith's maiden name was Emily R. Butterfield, having one brother in California, Rev. G. C. Butterfield, of Los Angeles, formerly pastor of the Tustin Presbyterian church. Rev. Butterfield and a cousin, M. C. Barker, of Los Angeles, attended the funeral services.

Mrs. Smith was formerly quite active in church and other good works in the community, being an active member of the Presbyterian church, president of the Tustin W. C. T. U. for several years.

A delegation of the union paid their tribute of flowers with other friends at the funeral.

MRS. POLLARD HOSTESS FOR TUSTIN TWELVE

TUSTIN, May 16.—A meeting of the Tustin Twelve was held Tuesday afternoon at the home of Mrs. G. W. Pollard. Mrs. Pollard's hospitable home looks out on the wide expanse of the San Joaquin and is always regarded as one of the Tustin Twelve's most delightful meeting places. The interior was made attractive with pink carnations. While enjoying a delightful afternoon, the club members were engaged in fancy work. Music by Mrs. Charles Johnson and Mrs. Edwin Mueller added to the pleasant time. Later in the afternoon dainty refreshments were served.

In addition to those mentioned there were present Mrs. Albert Fuller, Mrs. C. O. Artz, Mrs. Otis Bridgeford, Mrs. J. S. House, Mrs. Fred Morehead, Mrs. Arthur Hofer, Mrs. Charles Sauer and Mrs. W. S. Suddaby. Mrs. Walter Pollard and children and little Avery Johnson were guests of the club.

ORANGE GOING TO COURT TO TEST WARRANT CASE

Will Attempt to Force Treasurer to Honor Check For City Hall Site

ORANGE, May 16.—The city will go into court immediately to force payment by the city treasurer of a warrant of \$3,150 drawn for the purpose of purchasing a city hall site.

Such action was indicated yesterday when the trustees met in special session and passed a resolution instructing the city attorney to immediately present the warrant to the city treasurer and demand its payment; and in the event of his refusal, immediately to commence mandamus and other legal proceedings to force payment.

The warrant, which was drawn on the city hall fund on April 14, for the purpose of completing the purchase of lots on East Chapman avenue for a city hall site, was rejected by City Treasurer Clement when presented for payment. The treasurer took the position that the proceedings authorizing the purchase of the lots were irregular and that the payment of the warrant would be illegal on his part and would subject him to personal liability.

The city board and the city attorney take the position that the proceedings were legal and regular and that the treasurer can be compelled to honor the warrant. Scarborough & Forgy of Santa Ana have been employed to assist the city attorney in the prosecution of the case.

The city attorney made formal demand on the treasurer yesterday afternoon for the payment of the warrant. Mr. Clement refused payment. Treasurer Clement states that he has had no occasion to change his position since the warrant was first presented to him. He is represented by Attorney H. C. Head of Santa Ana.

It is apparent from the attitude of both sides in the controversy that the case will go into court for decision.

Welcome Sergeant Gerken

On Monday evening a most enjoyable time was spent at the Wm. Grecht home on East Walnut avenue. The purpose of the party was twofold, it being in honor of Mr. Grecht's birthday, and at the same time a welcome to Sergeant Walter Gerken, recently returned from France.

Music and readings were enjoyed. Mr. Grecht sang several solos accompanied by Miss Marie Grecht. Sergeant Gerken sang a French song which was greatly appreciated although it was not understood by all. Little Miss Mary Heyer sang a little flower song and Mr. Wm. Kios gave a reading.

Later every one went to the spacious hall room, which was brilliant with flags, and Japanese lanterns. Miss Marie Grecht and Della Franzén danced a minuet dressed appropriately in quaint Colonial costumes. For an encore they appeared as two Scotch lassies, in kilts, dancing the Highland Fling.

One of the most amusing incidents of the evening was that some of the gentlemen suddenly sprouted whiskers. Mr. Grecht made a hit when he danced a horn-pipe, dressed as a sailor.

The Boys' Quartet, which has been considerably broken up during the war, came out and serenaded, with several songs, proving that they had not lost any of their musical ability.

After being refreshed by quantities of delicious ice cream and cake, the guests danced until the wee small hours.

Those present were Mr. Walter Gerken, Mr. and Mrs. Henry Gerken and son, Lehman, Mr. and Mrs. John Harms, Jr., Mr. and Mrs. Mickert and daughter, Laura, Mrs. Kios, Wm. Kios, Mr. Arthur Mueller, Miss Pfeiffer, Mrs. Mason, Mrs. Meyer and daughters, Julia, Laura and Mary, Mrs. Appel and daughter, May, Mr. and Mrs. E. C. H. Franzen and daughters, Emma, Della and Mabel, Mr. and Mrs. Geo. Franzen, Mrs. Lehman, Mr. and Mrs. Grecht and daughter, Marie.

Surprise Big Choir

Mr. and Mrs. Emil Loeschner were delightfully surprised when a party of their Orange friends met at the Loeschner home in Richfield to spend the evening. The hours were pleasantly passed with games and music. A delicious collation which the guests had brought with them from Orange was served at a late hour.

The affair had been planned by members of St. John's choir and the party included the choir members and some of their friends. They were Mr. and Mrs. Wm. Batterman, Mr. and Mrs. J. M. Helmreich, Mr. and Mrs. Ed Dierker, Mr. and Mrs. Carl Jörn, Mr. Frank Buehler, Mr. and Mrs. C. Wagner, Mr. and Mrs. Ernest Bandick, Mr. and Mrs. A. Dittmer, Paul Kogler, Miss Emma Wyncker, Miss Esther Batterman, Miss Irene Weseloh, Miss Weseloh, Mr. and Mrs. R. L. Precht, Mr. and Mrs. F. W. Grumm, Miss Lydia Dornseif, Miss Catherine Mitchell, Miss Carrie Kogler, Miss Eleanor Loeschner, Phil Dornseif, Lorenz Dornseif and Wm. Loeschner.

W. C. T. U. Meeting
Orange W. C. T. U. met at the home of Mrs. D. Stinson, 171 South Grand street.

Devotional exercises were led by Mrs. A. G. Oram, who read the 91st Psalm. Mrs. Stinson offered prayer, followed by the Lord's Prayer in concert.

Three new members were reported. Delegates to the state convention at Santa Ana are: Mrs. C. A. McGill, president; Mrs. Geo. W. Smith, Mrs. Ed Moore, Mrs. W. D. Granger.

It was voted that the union give \$1 to Mrs. Root, state corresponding secretary, who is going to Japan to work for world-wide prohibition.

Mrs. Oram sang an appropriate solo, "My Mother's Prayer." Mrs. Hill, county superintendent of Mother's Department, gave a helpful address on "Mother and Child Training." The

SHOWER IS GIVEN FOR GERTRUDE UTT

TUSTIN, May 16.—A shower for Miss Gertrude Utt, a June bride-to-be, which was given last Saturday afternoon at the home of Miss Ethel Thompson, the beautiful Phillips place, was the occasion of a happy time.

The spacious rooms were decorated in yellow and white with Scotch broom and starry white flowers. The artistic arrangement of the decorations was the work of Ernest Crosier Phillips.

A kiewpie dressed as a bride was a significant little figure in the center of a table, the costume being perfect in detail even to the orange blossoms in her hair.

When the girl friends had assembled Miss Boal suggested a funny little game which the school children sometimes played in which Miss Utt was chosen to sit under an umbrella in the middle of a circle and was told that she was a toad under a toadstool, while all the girls around the circle were little tadpoles.

At a given signal everybody was told to croak and then it was proclaimed that it was going to rain. A shower of gifts came tumbling down on Miss Utt's umbrella. The gifts of silver, linen and various other handsome materials were unwrapped and admired.

An interesting program followed. There were readings by Misses Irene Grisest and Edith Higgins and music by Miss Ione Boal, Miss Florence Henderson and Miss Margaret Tingley and a dancing stunt by little Richard Phillips.

Each girl present wrote a message to Miss Utt on a card and they were enclosed in a box to be taken out and read, just one each week.

Each young lady was given a little French bouquet as a souvenir. The bouquet for the bride-to-be was of Cecile Brunner rose buds.

In addition to those mentioned, the invited guests were Miss Clara Macomber, Miss Louise Tubbs, Misses Mildred and Wilhelmina Bennett, Miss Catherine Walker, Mrs. Aaron Osmun, Miss Mildred Marchant, Miss Worth Hutchinson and Mrs. Ernest Phillips.

meeting closed with the Mizpah benediction.

Entertained Camp Fire Girls

Miss Idella Christensen entertained the Ku Ku Sim Camp Fire Girls Tuesday evening. Games and dancing were the diversions of the evening. Dainty refreshments were served.

Those present besides the hostess were Misses Olive Hibbs, Esther Neville, Gladys Bush, Irma Schooley, Grace Leech, Lois Meyer, Florence Riddle, Juliette Hagthorpe and Kath erin Huff.

Persons
Mrs. Langworthy and young son, Dean, of Berkeley, are in Orange visiting Mrs. F. R. Montgomery of 638 East Culver avenue.

Mrs. Edwin C. Rollis and daughter, Miss Lillian Rollis, of Los Angeles, were recent guests at the home of Mrs. Rollis' daughter, Mrs. D. A. Casey. They went from here to Laguna, where they will spend about six weeks.

Mr. and Mrs. V. J. Stutheit and four children and Mr. I. H. Myer and daughter left yesterday for Kansas, where they will spend the summer. Both families are making the trip in their autos.

Why a Difference in Value?

Land values in this district run from \$20.00 to \$4000.00 an acre. You can buy a watch for \$1.50 but a really high class Howard will cost you \$150.00. Some men aren't worth 3 drams of powder—while others can't be purchased with a carload of diamonds. A bad woman is an infinite liability while a good woman is an invaluable asset to society. There is quite a difference in values. We know it. You know it. Merit always meets with some recognition. For instance the merit in "Big N" Mash makes it the most widely used egg food in Orange County today.

AUCTION

The undersigned, having sold his land, will sell at public sale, to the highest bidder, on

WEDNESDAY, MAY 28, 10:00 A. M.

at his farm, three miles east of Sunset Beach, and 2 1/2 miles west of Wintersburg, the following described property:

1 Engine Beet Plow	15 Section Spike Harrows
1 Deering Header	2 Mowers
2 6-Gang John Deere Disc Plows	1 Hay Baler
2 10-foot Cyclones	2 4-Gang John Deere Disc Plows
1 John Deere 6 ft. Disc	1 8-foot Chisel
3 Derrick Forks	1 Grain Separator
1 Grain Seeder	1 Derrick Wagon with new Spools
1 Bean Thresher	10 Wagons
6 Bean Beds	1 Bean Derrick Wagon
2 Self-Dump Hay Rakes	6 Bean Nets
3 Riding Cultivators	1 Cook House, 1 Water Tank
3 John Deere Riding Plows	1 Tractor 45 Holt
2 Single Buggies	1 Oil Wagon with Tanks
1 Light Wagon	6 Head Work Horses
4 Walking Cultivators	5 sets Leather Work Harness
3 Stockton Gang Plows	1 Set Single Harness

FREE LUNCH SERVED ON THE GROUNDS

TERMS—All sums under \$100, cash in hand; on all sums of \$100 or over, a credit of ninety days will be given, purchaser giving bankable note with approved security, bearing 7 per cent interest.

PROF HARRINGTON TO TEACH JOURNALISM

LOS ANGELES, May 16.—One of the most distinguished of the leaders in instruction in journalism has been secured for the University of California's summer session in Los Angeles this year in the person of Prof. Harry F. Harrington of the University of Illinois. Prof. Harrington was a member of last year's faculty in Los Angeles and his great success led to the invitation to teach a second time. He has had many years' experience in the newspaper world, a thing so necessary if the work of instruction in journalism is to be the other than theoretical.

The courses to be given will deal with "The Collecting and Writing of News" and "Editorial Writing and Newspaper Policies."

OUCH! CORNS!
LIFT CORNS OFF

Doesn't hurt a bit to lift sore, touchy corns off with fingers

Yes! Magic! Drop a little Freezone on a bothersome corn, instantly that corn stops hurting, then you lift it right off. No pain! Try it.

A few cents buys a tiny bottle of Freezone at any drug store. This is sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, also all calluses, and without the slightest soreness or irritation. It doesn't hurt at all! Freezone is the magic ether discovery of the Cincinnati genius.—Adv.

ARGENTINE ANT DEPOSIT \$2,800 FOR
COUNTY RESTS
UPON DATPoison When Carried Back
to the Queen Ends the
Nest's Depredations

The farm advisor's office regularly receives requests for information regarding the control of Argentine ants, both in the home and in the orange grove. "There is no use denying that the Argentine ant is with us and has been for a number of years," says Farm Advisor Wahlberg. "Moreover, in many sections it is on the increase, fast becoming a serious nuisance in the home. More recently it has been established that this same ant is very intimately connected with the increase in mealybug infestation in certain citrus sections of the state. There is, therefore, considerable apprehension on the part of many persons as to the seriousness of this pest, which apprehension has been somewhat heightened by recent popular accounts of the terrible depredations of this insect in the Southern states, where it is claimed that not only does it protect insect pests on the orange trees, but actually eat the eggs out of the buds and eventually kills the trees. These last reports are declared by those in a position to know as absolutely erroneous, and they further state that there is no need for any great scare regarding the inroads of this pest.

"The Argentine ant can be very effectively controlled, both in the home and in the orchard. I well remember an infestation in one of the San Francisco Bay cities some years ago, which resulted in an entirely successful campaign for its eradication. Since it can be readily controlled, it is very desirable that concerted effort be expended to keep it down. But only by united effort can this pest be successfully combated.

In the Home
"The use of poisoned baits has proven the most successful means of controlling the ant in the home. Syrups containing arsenic have been found most effective, and a number of very satisfactory preparations are now on the market. These may be purchased at drug stores and need houses, or one may ask for the government formula ant poison, which is now carried by many dealers. For those who wish this formula it is here given:

"Twelve pounds sugar, eight pints water, one-fourth ounce tartaric acid. Boil thirty minutes; dissolve three-fourths ounce sodium arsenate in one-half pint hot water; cool; mix together and add two pounds honey. The resulting syrup mixture is placed in perforated paraffined paper bags, which are tacked in convenient places about the basement of the house.

"An ordinary Mason jar with perforated lid and containing a sponge saturated with the syrup is also very good. The commercial preparations come prepared in some perforated container of one kind or another. In order to be effective, all other food-stuffs on which ants might feed should be placed where the ants cannot get at them. One should not expect an immediate disappearance of the ants, for in order to kill the poison must be carried by the workers to the queen. It sometimes takes several days to show any noticeable effects.

In the Orchard
"The necessity for control of the Argentine ant in the orchard lies in the fact that by preventing the action of natural parasites it favors the growth and spread of certain scale pests. Of these the most important by far in this county is the mealybug. Since the ant obtains the honey-dew excreted by this scale, it protects it from the depredations of numerous natural parasites which otherwise would keep it under control. It has been found that if the Argentine ant is controlled, the mealybug problem largely takes care of itself.

"The government formula ant poison has been found very effective in controlling this pest, one or more paper bags or tin containers being tacked to the base of each tree."

REVERSES CONVICTION
OF EIGHT RUSSELLITES

NEW YORK, May 16.—Reversal of the conviction of Joseph F. Russell and seven other members of the International Bible Students' Association, who were found guilty of violation of the Espionage Act, was ordered yesterday by an opinion of the United States Circuit Court of Appeals here.

The opinion states that the defendants who were convicted by a jury before Federal Judge Harlan C. Howe in Brooklyn, did not have a fair trial.

Dragon merchants lunch—it's cooked right, served right and priced right. Merchants' noonday lunch at the Dragon—quick service and a splendid varied menu.

S. A. BUILDING FUND

(Continued from Page Nine)

army budget, all over that to go to a local Salvation Army building fund. In the county \$2,800 was raised by public subscription, of which \$308.86 was raised by the drive conducted through the Anaheim lodge.

A ruling was issued by the state committee to the effect that all money raised for building purposes should be handled by the state committee. However, an exception was made for Orange county. This was done because in raising funds here there was a definite understanding with contributors that the money would be kept here in a trust fund.

Yesterday Mayor C. R. Boyd of Los Angeles, who directed the drive in Southern California, and Captain Schute of Santa Ana met the Elks' committee at the club rooms here. A final accounting was made by the drive leaders, and \$350.00 was turned over to the state committee of the Salvation Army drive.

It is the expectation of the Salvation Army officials in this state to conduct a similar drive each year so that money for the year's work can be raised and the army workers freed from financial troubles during the year. While the Elks are under no obligations to handle the drive another year, there is no question but what the Elks will give it hearty support always.

"I want to thank the Elks' lodges and all of the other people of Orange county who helped in this good work," said Mayor Boyd yesterday. "The work was done in a whole-hearted and loyal manner, and the results were very gratifying."

CEMETERY PETITION
DRIVE IS PLANNED

(Continued from Page Nine)

Water for filling vases for flowers is not available except by going to the perpetual care section.

The purpose of creating the district for the levying of taxes for the cemetery is to have funds for the care of the streets and possible development of a water system. Individual lots will not be cared for under the tax, but arrangements can be made by the lot owners to pay a small sum for having the lots taken care of.

Anaheim Active
At Anaheim active steps recently have been taken to clean up the cemetery there. Anaheim is not included in the proposed district. Work has been done and the place presents a much more attractive appearance. The Board of directors is now working under a plan to provide perpetual care and has secured pledges amounting to about \$15,000.

One of the directors in speaking of the matter this morning said that if each lot owner would contribute 50 cents per grave per year a sufficient sum would be raised to furnish an adequate water supply for lawns, shrubbery, etc., and also keep the weeds down all over the cemetery until such time as permanent care can be assured. For instance, a whole lot will contain ten graves, at 50 cents per grave would be \$5 per year, one-half lot, \$2.50 per year, one-quarter lot, \$1.25 per year.

During the past few weeks the directors by telephone and otherwise have called up the different lot owners and asked them to contribute whatever they would for the purpose of cleaning the weeds away. They met with favorable response in most cases, nearly every one contributing something.

Everyone Should Be Interested
"Everyone who has loved ones resting in the Anaheim cemetery should be interested in its welfare and should contribute something toward keeping it in a decent condition," the cemetery officials said. "The cemetery is the oldest one in Orange county and the bodies of many of its early pioneers lie there. With all of the boasted wealth of this community it is a shame that our cemetery is not kept like a beautiful park. Let every lot owner contribute his or her share toward keeping it in a better condition," said a prominent local man today.

The annual meeting of the Anaheim Cemetery Association will be held on the first Monday in June. At this time the perpetual care question will be again discussed and several new directors elected.

"How did you ever get your mustache into this condition?" asked the barber. "Guess I'll have to take it off."

"All right," tried to steal a kiss from a girl who was chewing gum.—Kansas City Journal.

Annual meeting of stockholders of Santa Ana Armory hall will be held at the Armory June 3, 1919, at 2 p. m.

NOTICE OF SALE OF FRANCHISE TO ANY PIPE, OR FRANCHISE TO MINERAL OILS AND THE PRODUCTS THEREOF, AND TO CONDUITS, AND TO MAINTAIN THE PHONE LINE IN CONNECTION THEREWITH.

To Whom It May Concern:
Notice is hereby given that an application has been filed with the Board of Supervisors of Orange County for a certain franchise, granting the right to construct and maintain a certain pipe line and to maintain a certain phone line in connection therewith.

The said franchise is for the purpose of transporting and distributing mineral oil and the products thereof, except natural gas, and across any and all public highways within that certain district in the County of Orange, hereinafter described, and to construct, erect, lay, maintain, use and operate, for the certain purposes specified in this notice, a telephone system, whether on poles, or in conduits, in, under, along, upon, over and across the public highways within said district in the County of Orange, hereinafter described, and that it is proposed by the said Board of Supervisors to offer for sale and grant to the highest bidder said franchise upon the terms and conditions herein mentioned. The said franchise is described as follows, to-wit:

A franchise granting the right to lay and for a period of forty years from and after the date of the granting of such franchise, to construct and maintain a pipe line system to be composed of not more than one line of pipe for the transportation and distribution of mineral oil and the products thereof, except natural gas, under, along, and across any and all public highways within that certain district in the County of Orange, hereinafter described, and to construct, erect, lay, maintain, use and operate for the certain purposes specified in this notice, a telephone system, whether on poles, or in conduits, in, under, along, upon, over and across any and all public highways within said district in the County of Orange, hereinafter described, as follows:

Beginning at the intersection of the highway known as Santa Ana and Miller Road, by the western boundary line of the County of Orange, hereinafter described, and running easterly along the boundary line of Section 6, Township 3 South, Range 10 West, San Bernardino County, and thence southerly through the center of said township and range, and thence southerly along said highway in Section 4 of said township and range, and thence southerly along said highway in Section 2 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

Also beginning at Lots 22 and 23 of Hazard's Subdivision in the southwest quarter of Section 28, Township 2 South, Range 9 West, S. B. & M., and running easterly along the boundary line of said township and range, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

To Whom It May Concern:
Notice is hereby given that an application has been filed with the Board of Supervisors of Orange County for a certain franchise, granting the right to construct and maintain a certain pipe line and to maintain a certain phone line in connection therewith.

The said franchise is for the purpose of transporting and distributing mineral oil and the products thereof, except natural gas, and across any and all public highways within that certain district in the County of Orange, hereinafter described, and to construct, erect, lay, maintain, use and operate, for the certain purposes specified in this notice, a telephone system, whether on poles, or in conduits, in, under, along, upon, over and across the public highways within said district in the County of Orange, hereinafter described, and that it is proposed by the said Board of Supervisors to offer for sale and grant to the highest bidder said franchise upon the terms and conditions herein mentioned. The said franchise is described as follows, to-wit:

A franchise granting the right to lay and for a period of forty years from and after the date of the granting of such franchise, to construct and maintain a pipe line system to be composed of not more than one line of pipe for the transportation and distribution of mineral oil and the products thereof, except natural gas, under, along, and across any and all public highways within that certain district in the County of Orange, hereinafter described, and to construct, erect, lay, maintain, use and operate for the certain purposes specified in this notice, a telephone system, whether on poles, or in conduits, in, under, along, upon, over and across any and all public highways within said district in the County of Orange, hereinafter described, as follows:

Beginning at the intersection of the highway known as Santa Ana and Miller Road, by the western boundary line of the County of Orange, hereinafter described, and running easterly along the boundary line of Section 6, Township 3 South, Range 10 West, San Bernardino County, and thence southerly through the center of said township and range, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

Also beginning at Lots 22 and 23 of Hazard's Subdivision in the southwest quarter of Section 28, Township 2 South, Range 9 West, S. B. & M., and running easterly along the boundary line of said township and range, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

At the east by an imaginary straight line running southerly from the intersection of said highway and the boundary line of said township and range, to a point on the north

boundary line of the highway known as Brea Canyon, and thence southerly along said highway in Section 4 of said township and range, to the eastern boundary line of the highway known as Brea Canyon

The home of quick service. All autos painted in 4 to 6 days. The shop with the big oven where the car is run in and each coat baked thoroughly. All work guaranteed. Popular prices. Have your car painted here and save half.

FIGHT ON BOOZE AMONG OLDEST IN HISTORY

Mahomed One of Original Prohibition Advocates, Centuries Ago

WASHINGTON, May 16.—Discontinuation of the liquor business in the United States, set for July 1, will mark the decision in America of one of the world's oldest and most bitterly contested issues.

Use of alcoholic beverages probably antedates all recorded history. And, although the first temperance society was not organized until 1789, advocacy of abstinence is little less ancient than use of intoxicants.

Mohammed was among the original advocates of prohibition.

Use of distilled liquors did not become prevalent in Europe till toward the close of the seventeenth century.

Inception of the temperance movement came 100 years later, but its development during nearly two centuries was very slow.

Liquors used in ancient times were fermented beverages.

Discovery of the process of distillation is attributed to the Chinese, who imported the knowledge to the Arabs. Spaniards got the secret—for it was kept a secret for a time—from the Moors and in turn gave it to other European countries. Use of distilled liquors in the old world became general and drunkenness common.

Hard drinking in England came to be regarded as a grave national danger. In 1735 a London grand jury held the traffic responsible for a great crime wave, and regulation of the liquor business by law was instituted. Similar experiments were in the meantime being made in America.

Battle in America
The battle in the country against use and abuse of liquor began in a mild way as a protest in pulpits against drunkenness. A New England society went so far as to bind its members not to get drunk except on the Fourth of July and general training days. Advocates of moderation gave way to those who felt that only total abstinence was the remedy. Then the battle began.

East Hampton, L. I., in 1651, forbade the sale of more than two drams of distilled liquor for immediate drinking.

The constitution of Virginia, 1676, prohibited sales of wines and ardent spirits, except in Jamestown.

In 1760 Quakers abolished the habit of drinking at funerals.

The first Congress of 1777 recommended that laws be passed stopping the distilling of grain.

Churches took a definite stand against the use of intoxicants.

In 1789 the first temperance society was organized by 200 Connecticut farmers.

The first recorded demand for prohibition was made by John Chalmers, of Nassau, N. H., in 1795. It attracted little attention.

30,000 Men Pledged
In 1827 it was announced that 200 temperance societies had been formed in 16 states and that 30,000 men pledged abstinence.

In 1833 it was estimated that 5,000 temperance societies had 1,250,000 members.

State legislatures commenced to pass laws in an effort to limit the traffic. The Illinois legislature enacted a "local option" law.

The first large temperance society was founded in Washington in 1840. Many others soon sprang into being. Next a "sign-the-pledge" wave swept the country. This movement was given its impetus by churches in America and Great Britain.

By this time the liquor question had become a great national issue in politics. Maine took a revolutionary step when it adopted state-wide prohibition in 1846. Other states swung into line. But 72 years elapsed from the time the first state voted liquor outside its borders before national prohibition was ratified by 36 states.

When Congress passed the national prohibition amendment, November, 1918, there were 33 "dry" states. Several others were partially dry, with local option laws in effect.

AUTOMOTIVE SCHOOL OPENED IN CHICAGO

CHICAGO, May 17.—Chicago's first motor car school, which is to be a part of the regular city system, has been opened in an old high school building. Any owner or member of his family, mechanics, chauffeurs and other professionals are eligible as students. Edwin G. Cooley, principal of the city continuation schools, in co-operation with a special committee of motor car makers, dealers and garage owners representing about 150 Chicago firms, will have charge. The committee will be advisory.

The purpose of the school, which was described in a previous issue, is "to increase the efficiency of persons using or working with motor cars, whether mechanics, driver owners of cars and members of their family authorized to operate cars under the state laws."

DRAGON LUNCH
Lady chef from Santa Ana. Home cooking, seasonal dishes, personal attention, our motto.

BITRO PHOSPHATE

supplies an essential substance to the brain and nerves in the active form in which it normally occurs in the living cells of the body. It replaces nerve waste, creates new strength, builds firm healthy flesh. Sold by druggists under a genuine guarantee of results or money back. Get the genuine BITRO-PHOSPHATE—the kind that physicians recommend.

FOR THIN, DELICATE NERVOUS, ANAEMIC PEOPLE

REFUSED BY TWO COUNTRIES. MAN STILL ON SEA

Paul Freeman Enroute to Australia Fifth Time, Charges Plot

SAN FRANCISCO, May 16.—Aboard the Oceanic Steamship Company's liner Sonoma, Paul Freeman, the modern Man Without a Country, is speeding back to Australia for the fourth time, probably to receive the same "welcome" as he got the other times—immediate deportation to the United States.

Deported by Australia, Freeman is not permitted to enter this country. Already he has travelled 30,000 miles in three months, while Australia and America refused to let him land. Four times has Freeman been deported from Australia and four times has he been re-deported from San Francisco. He sailed from here May 6 last.

Freeman, according to Australian authorities, was guilty of seditious utterances. He was branded as undesirable and sent to San Francisco late in January. His first appearance here was on February 19 on the steamer Sonoma. He was refused a landing by the American immigration officers here and sent back to his point of departure. The Australian government refused to receive him, saying he was an American citizen.

Freeman is not the only party in the case who is disgusted with the battledore-shuttlecock existence he is forced to live. The Oceanic Steamship Company, on whose boat Freeman has been forced to reside, would be very happy to be rid of the expense of paying his meals and affording him transportation. However, the company faces the immediate fine of \$500 if it refuses him passage, besides the official frown of the immigration authorities.

Meanwhile Freeman is anxious to get back to Australia, where he claims to be owner of some mines. He charges that influential Australians are legislating against him in order to get possession of his mines. "I will not remain in the United States even if I have to commit a crime to be deported," he told Commissioner of Immigration White.

CITRUS EXPERT IS BACK FROM PERSIA

After a year's absence in Persia with the American Commission for Relief in the Near East, Prof. Roland S. Valle, assistant professor of orchard management at the University of California Experiment station at Riverside, has returned to California. After a brief rest he will take up his duties at the station on June 1, after a year's leave of absence.

Prof. Valle's expected absence of two years was shortened to one because of serious illness from which he suffered during his stay in Persia. An attack of smallpox and subsequent sickness incapacitated him for any work for a period of three months. Upon his recovery Prof. Valle was ordered home and he returned by way of the Caucasus mountains, Constantinople and Paris, where he remained for ten days. He left Persia on March 4 and reached this coast April 22.

During his stay in Persia Professor Valle was stationed at Hamadan and Teheran, and his principal work was in making an agricultural survey for the Commission for Relief in the Near East, the name by which the commission for Armenian and Syrian relief is now known. At the time Professor Valle left Persia, conditions were somewhat restored to normal except in the northwest province, where the Kurds were endeavoring to complete the work which the Turks commenced.

Prof. Valle is accompanied to Riverside by Mrs. Valle, and as soon as they have found a house suited to their needs, will return to make their home.

AUTO BUS CROWDING OUT ELECTRIC CARS

ALHAMBRA, May 16.—That the growing popularity of the automobile was a menace to such an extent that the day is not far distant when there would be few, if any, electric cars, was the statement of H. B. Titcomb, vice president of the Pacific Electric Railway Company at a meeting with city officials and representatives of civic organizations here.

The meeting was in the nature of a conference between interested citizens and officials of the railroad in an effort to adjust differences arising from disputes concerning the fare, service and alleged discrimination of the road in favor of other communities.

United States tires are the best tires. Royal Cords are not an experiment but a proven fact. Sold by Jack Olivari, southeast corner First and Main. Guaranteed vulcanizing and re-treading.

COLLECTION SHOWS GREAT WAR HORRORS

WASHINGTON, May 15.—Guns, knives, saw-edge bayonets, gas masks for men, horses and pigeons; all classes of helmets, an anti-tank gun, a field amputation chair—these are some of the more striking features of an unusually interesting collection of relics of the great war now being shown to visitors at the United States National Museum in Washington.

This collection, which has been loaned to the Museum by Major Gen. H. L. Rogers, Quartermaster General,

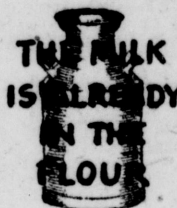

The breakfast your guests enjoy

When you have week-end guests, or any time you want to serve a particularly appetizing breakfast, make Aunt Jemima Pancakes. You can always be sure these cakes will turn out perfect—tender, golden-brown and rich-flavored.

There's no chance of failure. Everything needed to make good pancakes is already mixed in the flour—even the sweet milk, in powdered form.

Order a package of Aunt Jemima Pancake Flour from your grocer today. See how enthusiastically your family and guests will vote it the ideal summer breakfast. Aunt Jemima Mills Company, St. Joseph, Missouri.

"I'm in town, Honey!"

AUNT JEMIMA PANCAKE FLOUR

Copyright 1919, Aunt Jemima Mills Company, St. Joseph, Missouri

United States Army, was for the most part picked up by American soldiers on the battlefields of France, in the Argonne Forest, at Chateau-Thierry, at St. Mihiel and at Verdun.

Probably the most striking single

object is a cartridge case for the 420 mm. (16.55-inch) German howitzer, the largest fixed ammunition in the world. These giants of destruction were used in levelling the Belgian forts, which were thought to be inde-

structible. One of the horrors of poison gas warfare was that not only were men exposed to it, but also animals, the artillery horses and ammunition mules, dogs and pigeons, which had no

means of combating the gas. A canvas chair used by the German surgeons in making amputation the field is in the collection shows unmistakable signs of having been used many times.

Lima Bean Growers

Let's All Get Together for Profit and Economy

ANXIETY, low prices and necessity have brought practically all of us into the Lima Bean Pool. We growers have obeyed the rule of human nature which brings folks together in time of peril.

The Lima Bean Pool is a co-operative organization. It was hastily put together to meet a dangerous condition. This new pool met the need, and has proven that a co-operative bean growers association is successful and vitally necessary to every lima bean grower.

You will find after one year of membership that co-operative marketing is a great thing. We who are members now have found it greatly to our benefit. You too will approve of it.

Record of Great Selling Successes

Our Association is formed along tried and proved lines. It is patterned after the best features of two great co-operative marketing organizations. These organizations are, the Califor-

nia Fruit Growers Exchange (Sunkist) and the California Walnut Growers Association (Diamond Brand).

We are getting the benefit of all the experience of those older associations. In a short time we shall enjoy the benefits and profits that have come through co-operation to the growers of Sunkist fruit and Diamond Brand walnuts.

You will find it worth while to join with us for the common good of all.

Consider Your Personal Benefits

Ask any member what he thinks of our organization—the California Lima Bean Growers Association. Members will tell you that the Association lifts a big load from their shoulders. They will explain to you how the Association takes the responsibility for marketing their beans, and relieves you from months of worry.

Membership in the Association gives the grower more time to raise beans—more beans and better beans. It gives you more time for leisure. It gives you more time for study—more time with your family. It gives you time to do the things that every man wants to do but cannot do because of lack of time.

Let your Association market your beans while you give your time to raising the crops.

Read the Terms at Your Leisure

Read our terms of membership, which you can obtain by sending us the coupon below. We will gladly send you the printed forms without obligation. If, after reading the terms, you wish to join us, you can sign the forms and return them to us by mail. If you wish to talk with a member about the Association, send us a post card. A member then will call and explain everything. But first, in order that you may read the terms of membership, we suggest that you send us the coupon.

This Coupon Will Bring Blank Forms

CALIFORNIA LIMA BEAN GROWERS ASSOCIATION, Oxnard, California.

Without any obligation, please mail me the terms of membership in your organization.

Name.....

Address.....

It's always fair weather, when growers get together

We, who send you this message, are experienced in co-operative marketing. Our marketing organization is the California Lima Bean Growers Association. The Association is three years old. Its success merits your attention and approval. Membership is open to every lima bean grower.

One Year's Membership Will Prove Our Claims

You who have joined the pool will find it worth while to belong to our Association. The membership term is one year. Sign up now for this year. Then, if you find yourself in paying company, continue as a member.

California Lima Bean Growers Association, Oxnard, California

Bankers Endorse Association

We are glad of this opportunity to express faith in the principle of co-operative marketing and our belief that growers who join the California Lima Bean Growers Association will be exercising good judgment.
